## Changes for 2020

Due to the need for social distancing and recommendations by the CDC, Department of Health and other governing agencies coupled with the anticipation of additional patrons from other pools, the following protocols will be in place:

- Capacity will be limited to 125 people
- Entry will be limited to season pass holders for at least the first two weeks
  - Pass holders will need to sign up in advance for 3 hour time slots
- Diving board will be open, but the slide and climbing wall will be closed temporarily
  - Snack bar will also be closed, but small coolers will be allowed

We will continually monitor and make adjustments as necessary. Information about protocols, rules and other procedures will be posted on the Borough Website and Shoey Pool Facebook Page and be included with membership paperwork.
