Spring 2022

## Lawn Care Reminders

### Lawn Maintenance

**Grass and weeds:** Property owners should not permit weeds, grass or other uncultured vegetation to grow more than 10 inches in height when measured from the surface of the ground, provided that weed growth on lawns occurring between mowing shall not constitute a nuisance.

**Trees, shrubs and hedges:** Property owners are required to maintain any tree or shrubbery on the owner's property so that branches do not extend over the public sidewalk at a height less than 8 feet of vertical clearance or extend over a public street or alley at a height less than 16 feet of vertical clearance.

### Yard Waste Pick-up

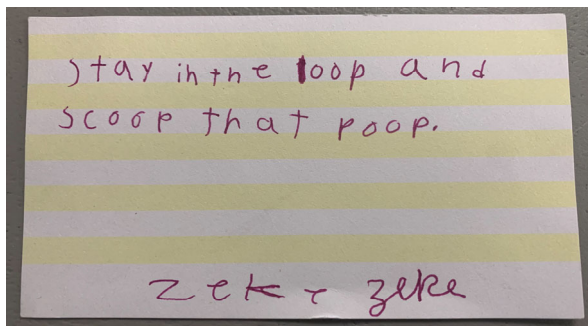

Yard waste pick-up has begun. Please remember to use a biodegradable paper bag for the waste. The weight of the bags should not exceed 30 pounds. Tree branches and sticks should be bundled together, with a length not to exceed 3 feet. Be sure to have your items at the curbside by 7:00 a.m. on Wednesday mornings, in order to assure proper pick-up.

The Borough asks that you do not sweep leaves and yard waste into the streets, as it may clog the storm sewers. This can create slippery conditions, flooding, and water quality issues. When the system becomes blocked with grass clippings and leaves, it creates a flooding potential that could result in property damage.

## From the Mayor

Hoping everyone is healthy and doing well, as the summer is upon us. As a community, we have overcome Covid and lockdowns. As kids finish up the school year, be mindful of the speed limit in town. Also, make sure grass clippings are kept off the streets. Keep up with borough events and reminders on the website and social media pages. I can always be reached at 610-858-3154.

I recently spoke to Cub Scout Troop 163 and asked them to submit ideas on how to tell residents to clean up their dog's poop when walking. The winning submission, made by Zeke, was "Stay in the loop and scoop that poop."

Mayor Dustin Remp
