

Shoemakersville Borough

Spring 2021

Reminders

Lawn Maintenance

Grass and weeds: Property owners shall not permit weeds, grass or other uncultured vegetation to grow more than ten inches (10") in height when measured from the surface of the ground, provided that weed growth on lawns occurring between mowing shall not constitute a nuisance.

Trees, shrubs and hedges: Property owners are required to maintain any tree or shrubbery on the owner's property so that branches do not extend over the public sidewalk at a height less than eight feet (8') of vertical clearance or extend over a public street or alley at a height less than sixteen feet (16') of vertical clearance.

Yard Waste Pick-up

Yard waste pick-up began on April 7. Please remember to use a biodegradable paper bag for the waste. The weight of the bags should not exceed 30 pounds. Tree branches and sticks should be bundled together, with a length not to exceed 3 feet. Be sure to have your items at the curbside by 7:00 a.m. on Wednesday mornings, in order to assure proper pick-up.

The Borough asks that you do not sweep leaves and yard waste into the streets, as it may clog the storm sewers. This can create slippery conditions, flooding, and water quality issues. When the system becomes blocked with grass clippings and leaves, it creates a flooding potential that could result in property damage.

Upcoming Recycling Days

April 20 • May 4 & 18 • June 2, 15 & 29 • July 7 & 27
August 10 & 24 • September 8 & 21
