BOROUGH OF SHOEMAKERSVILLE
ORDINANCE NO. 463

This is an Ordinance regulating the location, erection, construction, alteration, removal, size of buildings, structures, signs, and regulating the use of land. Zoning districts, with their applicable regulations, and general regulations are created to accomplish these purposes. Provision is made for the amendment, enforcement, and administration of this Zoning Ordinance.

ARTICLE I TITLE, PURPOSE, INTERPRETATION, AND APPLICATION

SECTION 100. TITLE

This Ordinance shall be known as and may be cited as “The Borough of Shoemakersville Zoning Ordinance of 2022”.

SECTION 101. PURPOSE

This Ordinance is enacted to promote the public health and safety and the general welfare of the residents and occupants of the Borough of Shoemakersville (the Borough) by securing safety from fire, panic, flood, and other dangers and accomplishing the following Community Development Objectives:

1. Encourage the most appropriate use of land and buildings.
2. Prevent the overcrowding of land.
3. Avoid undue traffic and population congestion.
4. Provide for adequate areas for vehicular parking and loading.
5. Provide for adequate light and air.
6. Conserve the value of land and buildings.
7. Provide for adequate transportation, water, sewerage, school, and other public facilities.
8. Encourage the harmonious and orderly development of land.
9. Maintain the character of existing residential neighborhoods.

SECTION 102. INTERPRETATION

In interpreting and applying the provisions of this Zoning Ordinance, they shall be held to be the minimum requirements adopted for the promotion of the public health and safety and general welfare of the residents and occupants of the Borough. Where the provisions of this Ordinance impose greater restrictions than those of any other Borough statute, ordinance or regulation, the provisions of this Ordinance shall take precedence. Where provisions of any other Borough statute, ordinance or regulation impose greater restrictions than this Ordinance, the provisions of such other Borough statute, ordinance, or regulation shall be complied with unless otherwise stated in this Ordinance.

SECTION 103. APPLICATION

Except as hereinafter provided, no building, structure, land, or parts thereof in the Borough shall be used or occupied, erected, constructed, assembled, moved, enlarged, removed, reconstructed, or structurally altered unless in conformity with the provisions of this Ordinance.

Subdivision - The division or redivision of a lot, tract or parcel of land by any means into two or more lots, tracts, parcels or other divisions of land including changes in existing lot lines for the purpose, whether immediate or future, of lease, partition by the court for distribution to heirs or devisees, transfer of ownership or building or lot development; provided, however, that the subdivision by lease of land for agriculture purposes into parcels of more than eleven acres not involving any new street or easement of access or any residential dwelling shall be exempted. The term subdivision shall refer, as appropriate in this ordinance, to the process of subdividing land or to the land proposed to be subdivided. The term subdivision includes re-subdivision. Also see definition in the Subdivision and Land Development Ordinance.

Swimming Pool - A pool used for swimming which has a depth in any part of thirty six (36) inches or more, which is primarily used or intended to be used for swimming or bathing.

Trash Transfer Station - A facility where route collection vehicles bring trash which is then compacted and/or reloaded onto larger vehicles for transfer to an approved disposal site.

Use - The specific purpose for which land, a sign, or a structure or building is designed, arranged, intended, or for which it may be occupied or maintained, or any activity, occupation, business, or operation which may be carried on, thereon or therein. The term "permitted use" or its equivalent shall not be deemed to include any non-conforming use.

Use, Accessory - A use customarily incidental and subordinate to the principal use or building and located on the same lot with this principal use or building.

Use, Principal - The main or primary use of property or structure(s).

Variance - Relief, granted by the Zoning Hearing Board (ZHB), from the terms and conditions of this ordinance where literal enforcement would create unnecessary hardship as a result of peculiar or unique conditions or circumstances pertaining only to the lot in question and when granting of the relief would not be contrary to the public interest and meeting the requirements of this Ordinance and the Pennsylvania Municipalities Planning Code (MPC), as amended.

Veterinarian's Office - A building used primarily for the treatment, by a veterinarian, of small domestic animals such as dogs, cats, rabbits, and birds or fowl. No outdoor boarding of animals is permitted.

Water Distribution System, Public - A system for supplying and distributing water from a common source to dwellings and other buildings, but generally not confined to one neighborhood.

Wind Turbine (Personal Wind Turbine) - A single wind energy conversion system that converts wind energy into electricity through the use of a wind-driven turbine generator, and includes the nacelle, rotor, tower, and pad transformer, if any, which turbine does not exceed power generation in the amount of 7 KW. This use is intended to be utilized for personal use as opposed to a commercial use and may also be referred to as a windmill.

Wooded Area - An area of planted material, consisting of thirty percent (30%) or more canopy trees having a six inch (6") or greater caliper at breast height.

Yard - The open space on the same lot with a building or structure. The space shall be open and unobstructed from the ground upward, except as otherwise provided in this Ordinance, and not less in depth or width than the minimum required in each zoning district.

Yard, Front - An open space between an adjacent street right-of-way and a line drawn parallel thereto, at such distance therefrom as may be specified herein for any zoning district and extending for the full width of the lot.

Yard, Rear - An open space between the rear lot line and a line drawn parallel thereto at such distance therefrom as may be specified herein for any zoning district, and extending for the full width of the lot, except that in the case where the rear lot line is included within a service street, the rear yard shall be between the right-of-way line of the service street nearest the front yard of the lot and a line drawn parallel to such right-of-way line of the service street.

Yard, Side - An open space between the side lot line and a line drawn parallel thereto at such distance therefrom as may be specified herein for any zoning district, and extending from the front yard to the rear yard, except that in the case where the side lot line is included within a service street, the side yard shall be between the right-of-way line of the service street nearest the principal use or building on the lot and a line drawn parallel to such right-of-way line of the service street.

Zoning - Division of all of the land of an entire political subdivision into districts having different regulations pertaining to use of land, height, area, bulk, and use of buildings, yard requirements, and density of population. Zoning is affected by local ordinance under the police power of the state granted by specific legislation generally termed an "Enabling Act".

Zoning Hearing Board – (ZHB) Borough of Shoemakersville Zoning Hearing Board. A board created by the governing body to hear matters as provided for in this ordinance.

Zoning Map - Borough Official Zoning Map.

Zoning Officer - Borough of Shoemakersville Zoning Officer. The agent or official designated by the governing body to administrate and enforce the zoning ordinance of the municipality.

Zoning Ordinance - Borough of Shoemakersville Zoning Ordinance.

Zoning Permit - A Permit stating the purpose for which a building or land is to be used is in conformity with the uses permitted and all other requirements of this ordinance for the zone in which it is located or to be located.

ARTICLE III ZONING DISTRICTS

SECTION 300. TYPES OF ZONING DISTRICTS

In order to carry out the objectives of this Zoning Ordinance, the Borough of Shoemakersville has been divided into the following zoning districts:

- R-1 Low Density Residential District
- R-2 Suburban Density Residential District
- R-3 Medium Density Residential District
- R-4 Planned Development Residential District
- C-1 Town Center District
- C-2 Highway Commercial District
- C-3 Business Development District
- I-1 Light Industrial District
- I-2 General Industrial District

SECTION 301. OFFICIAL ZONING MAP

1. The boundaries of the Zoning Districts shall be as shown on the Zoning Map of the Borough. The Zoning map and all notations, references, and data shown thereon are hereby incorporated by reference into the Ordinance.
2. The Official copy of the Zoning Map shall be so labeled and identified by the signature of the President of the Borough Council, attested by the Secretary of the Borough, and bear the seal of the Borough under the following words:
 - a. "This is to certify that this is the Official Zoning Map of the Borough of Shoemakersville adopted 3 January 2023."
3. If the Official Zoning Map is amended, an entry indicating the change and the date of the change shall be made on the map and the entry shall include the signatures of the Borough Secretary and the President of Borough Council.
4. In the event that the Official Zoning Map becomes damaged, destroyed, lost, or difficult to interpret by reason of the nature and number of changes and additions made thereon, the Borough Council may by resolution adopt a new Official Zoning Map which shall supersede such prior map. The new Official Zoning Map may correct drafting or other errors or omissions in the prior Official Zoning Map, but no such correction shall have the effect of amending the original Official Zoning Map or any subsequent amendment thereof. The new Official Zoning Map shall be identified by the signature of the President of the Borough Council, attested by the Secretary of the Borough, and bear the seal of the Borough under the following words:
 - a. "This is to certify that this is the Official Zoning Map of the Borough of Shoemakersville adopted 3 January 2022."

SECTION 302. DISTRICT BOUNDRIES – RULES FOR INTERPRETATION

Where uncertainty exists as to the boundaries of districts as shown on the Official Zoning Map, the following rules apply:

1. Where district boundaries are indicated as approximately coinciding with the center lines of streets or alleys, such center lines shall be construed to be such boundaries.
2. Where district boundaries are indicated as approximately coinciding with lot lines or right-of-way line, such lot lines or right-of-way lines shall be construed to be such boundaries.
3. Where district boundaries are indicated as being approximately parallel to the right-of-way lines of streets or alleys, such district boundaries shall be construed as being parallel to the right-of-way lines at such distance as is indicated on the Official Zoning Map. Distances not specifically indicated on the Official Zoning Map shall be determined by the scale of the map.
4. Where district boundaries are indicated as being approximately perpendicular to the right-of-way

lines of streets or alleys, such district boundaries shall be construed as being perpendicular to the right-of-way lines.

5. Boundaries indicated as approximately following Borough limits shall be construed as following such limits.
6. Boundaries indicated as following railroad lines shall be construed to be midway between the main tracks.
7. Boundaries indicated as extensions of features indicated in Sections 1 through 6 above shall be so construed.
8. Where physical or contour features existing on the ground are at variance with those shown on the Official Zoning Map, or in other circumstances not covered by Sections 1 through 7 above, the Zoning Officer shall interpret the district boundaries.
9. Where setback, screening, or buffering requirements from zoning districts are imposed, zoning districts in adjacent municipalities shall be considered in addition to those in the Borough.
10. Where a district boundary line divides a lot which was in single ownership at the effective date of the Ordinance, when permitted as a conditional use by the Borough Council, the regulations of either zoning district may be extended a distance of not more than fifty feet beyond the district boundary line into the remaining portion of the lot.

SECTION 303. APPLICATION OF DISTRICT REGULATIONS

1. No building, structure, or land shall be used or occupied and no building, structure, or part thereof shall be erected, constructed, assembled, moved, enlarged, reconstructed, removed, or structurally altered without the issuance of a Permit by the Zoning Officer.
2. Compliance with the Ordinance in no way relieves the responsibility of complying with other Borough Ordinances.
3. No part of a yard, common open space, other open space, or off-street parking or loading space required in connection with one structure, building, or use of land shall be included as part of a yard, common open space, open space, or off-street parking or loading space similarly required for any other structure, building or use of the land, except as permitted or required by this Ordinance or other Borough Ordinance or regulations.
4. No yard or lot existing at the time of passage of this Ordinance which meets the requirements of this Ordinance shall be reduced in dimension or area below the minimum requirements set forth in this Ordinance. A yard or lot existing at the time of passage of this Ordinance shall not be further reduced below the minimum requirements of the Ordinance.
5. Where district regulations specify a minimum lot width at the street line, the minimum lot width shall be provided contiguous along the street line of one street. It is prohibited, when calculating the width of a lot, to add widths along the street lines of two or more streets. In the case of a corner lot, the minimum lot width must be provided along the street line of one street but does not have to be provided along the street line of each street on which the lot fronts, unless otherwise required by this Ordinance.
6. Where district regulations specify a minimum lot width at the building setback line, the minimum lot width shall be provided contiguous along the building setback line established from one street. It is prohibited, when calculating the width of a lot, to add widths along the building setback lines established from two or more streets. In the case of a corner lot, the minimum lot width must be provided along the building setback line established from street but does not have to be provided along the building setback line established from each street on which the lot fronts, unless otherwise required by this Ordinance.
7. In the case of a lot of irregular shape in which a portion of the lot abuts a street and a portion not abutting a street abuts the rear yards of lots which have frontage on the same street as does the irregularly shaped lot (most commonly "flag lot"), on the irregularly shaped lot building setback lines shall be established from the abutting rear yards or street line whichever is more restrictive.
8. Buildings and/or lots may be owned in condominium ownership. Such buildings and/or lots shall comply with all applicable zoning requirements; furthermore, each unit of occupancy shall comply with the requirements of the Borough Building Code as a separate unit of occupancy.
9. Condominium declarations shall be submitted to and approved by the Borough prior to issuance of any Zoning Permit for a building or lot in condominium ownership, and after such approval shall be

filed with the Recorder of Deeds of the County of Berks and the Borough.

10. Condominium declarations shall be in accordance with the provisions of the Pennsylvania Uniform Condominium Act of 1980, as amended. In the case of a building in condominium ownership situated on a parcel of land, the building coverage and paved area regulations of the applicable zoning district shall apply to the entire building as it is situated on the entire parcel and shall not be applied to each unit of occupancy within the building.
11. When minimum requirements are established for lot size and/or common space, such minimum requirements shall be met within Shoemakersville Borough.
12. When calculating the permissible number of dwelling units within a subdivision or land development in Shoemakersville Borough, only land located within Shoemakersville shall be used.
13. The minimum lot width at the building setback line established in the Area, Height, and Yard Regulations of the Zoning Districts listed in the Zoning Ordinance shall be measured at the minimum building setback established in said Area, Height, and Yard Regulations.
14. Steps within yards for the purpose of walking from one level of the yard to another may be located anywhere within yards.

SECTION 304. WELLHEAD PROTECTION OVERLAY DISTRICT

The “Wellhead Protection Overlay District” shall be defined as that area within the corporate boundaries of the Borough as is set forth on the map attached hereto, marked as Exhibit “A” and incorporated herein by reference thereto. Within the Wellhead Protection Overlay District, the following Wellhead Protection Zones are hereby established:

1. Zone 1 shall be that area marked on Exhibit “A” as Zone 1, which Zone 1 represents a protective zone immediately surrounding a community water supply well, which shall be a maximum radius of 400 feet.
2. Zone 2 shall be that area marked on Exhibit “A” as Zone 2, which Zone 2 represents an area determined by methods applicable to that hydrogeologic setting, as having a ten- year time-of-travel of groundwater supply to public well sites; and
3. Zone 3 shall be that area marked on Exhibit “A” as Zone 3, which Zone 3 represents the area that contributes surface and groundwater to Zone 2.

Where the boundary on any Zone divides and property, the entire property shall be considered to lie within the Zone offering the highest degree of protection to groundwater resources. Should any person challenge the boundary of Zones 1, 2, or 3, it shall be the responsibility of that person to retain a recognized professional with competence in the field to determine more accurately the precise boundary of the disputed area. The final boundary to be used will be determined by the Borough engineer and/or a professional hydrogeologist, as appropriate.

SECTION 305. REGULATED LAND USES

Within the Wellhead Protection Overlay District, land uses shall be regulated as follows:

1. Lots and tracts of land located within the Wellhead Protection Overlay District, as determined on Exhibit “A”, shall be governed by the restrictions applicable to the Wellhead Protection Zone in which such lots and tracts of land are located.
2. Certain land uses within the Wellhead Protection Overlay District will be regulated (hereinafter, “Regulated Land Uses”) according to the Schedule of Regulated Land Uses attached hereto, marked Exhibit “B” and incorporated herein by reference.
3. Certain particular Regulated Land Uses will be prohibited, or permitted only by Special Permit, within Zone 1, Zone 2, or Zone 3, as applicable, as is set forth in the Schedule of Regulated Land Uses.

SECTION 306. REPORTING REQUIREMENTS FOR NEW USES

As to each lot or tract of land located within the Wellhead Protection Overlay District, upon which there is

conducted a Regulated Land Use, the record owner shall submit, or cause to be submitted, to the Zoning Enforcement Officer the following reports and information in the manner prescribed:

1. Copies of all federal, state, and county operational approvals, certificates, permits and applications, on-going environmental reports and monitoring results, relating to environmental, pollution control, hazardous substance and drinking water laws and regulations pertaining to such lot or tract of land, as and when required to be submitted to federal, state, and county governmental authorities.
2. In the event that any contaminates and/or substances regulated under federal, state, or county environmental, pollution control, hazardous substance and drinking water laws and regulations are released on or from any lot or tract of land within the Wellhead Protection Overlay District, copies of any and all notices, reports, and documents which such owner filed, or caused to be filed, with any federal, state, and/or county governmental authorities which provide notice of or relate to such release, as and when such notices, reports, and documents are required to be filed with such governmental authorities; and
3. Copies of all notices, orders, rules, decisions, recommendations, enforcement actions and similar documentation, as and when received by or on behalf of such record owner or the occupant of any such lot or tract of land from any federal, state, or county governmental authority in connection with the enforcement of environmental, pollution control, hazardous substance and drinking water laws and regulations.

SECTION 307. ADMINISTRATION

1. The Zoning Enforcement Officer is hereby designated as the Borough official responsible for the administration and enforcement of this Ordinance. The ZHB shall hear appeals from the written determinations and orders of the Zoning Enforcement Officer regarding applications, enforcement notices, cease and desist orders, and other matters and shall also hear substantive procedural challenges to the validity of this Ordinance.
2. Uses of lots or tracts of land in existence on the date of enactment of this Ordinance which are Regulated Land Uses shall be deemed to be “non-conforming uses” of land under the terms of the Ordinance. Such non-conforming uses of land may be continued by the present or any subsequent owner so long as:
 - a. Such use is and remains otherwise lawful and in compliance with all federal, state, and county environmental, pollution control, hazardous substance and drinking water laws and regulations;
 - b. Such non-conforming use has not been and is not discontinued for a period of twelve (12) consecutive months;
 - c. Such non-conforming use is not, after the date of enactment of the Ordinance, materially altered, changed, or expanded;
 - d. The record owner of the lot or tract of land on which such non-conforming use is located is in compliance with Section 4 of this Ordinance regarding reporting requirements; and
 - e. Such non-conforming use is not an actual known source of groundwater contamination.
3. A Regulated Land Use shall be deemed to be new or materially altered, changed, or expanded if:
 - a. The land use which constitutes the Regulated Land Use was not previously present and conducted upon the lot or tract of land in question;
 - b. The production and/or storage capacity of the Regulated Land Use is increased;
 - c. The types of substances which give rise to the Regulated Land Use are changed;
 - d. The number of types of any substances which give rise to the Regulated Land Use is increased; and/or
 - e. The quantity of any substances which give rise to the Regulated Land Use is materially increased.
4. Following the date of enactment of this Ordinance, Regulated Land Uses which are new or which constitute material changes, alterations, or expansions of non-conforming Regulated Land Uses will be prohibited in accordance with the terms of Exhibit “B” annexed hereto thereby prohibiting such Regulated Land Uses or permitting such Regulated Land Uses only upon the granting of a special exception Permit. Any Regulated Land Use which is permitted to be conducted within the Wellhead Protection Overlay District as a result of granting of a special exception Permit in accordance with

the terms of this Ordinance and other Municipal regulations shall not be deemed to be a non-conforming use of the land under the terms of the Ordinance, but shall without further action be considered a land use which is in conformity with the terms of this Ordinance.

5. As to any new Regulated Land Use or any proposed material change, alteration, or expansion of Regulated Land Use which is a non-conforming Regulated Land Use and as to which such Regulated Land Use is permitted to be conducted within the applicable Wellhead Protection Zone upon the granting of a Special Permit, such Special Permit shall only be granted upon the following conditions:
 - a. Such Regulated Land Use is one which is specifically authorized as a Special Permit use in the Wellhead Protection Zone in question, as set forth in Exhibit "B".
 - b. Such Regulated Land Use will not, during construction or thereafter, cause the degradation of the groundwater quality upon or beneath the lot or tract of land in question, or upon or beneath the adjacent lots or tracts of land, the degree and extent of which degradation is or would be violative of safe drinking water standards promulgated by federal, state, or county governmental authorities;
 - c. Satisfactory evidence has been provided to the Borough's Zoning Enforcement Officer, or ZHB, as applicable, that the proposed Regulated Land Use is in compliance with all federal, state, and county laws and regulations applicable to such Regulated Land Use and the record owner or occupant has received all necessary approvals of federal, state, and county governmental authorities for the conduct of such Regulated Land Use.
6. Application for a Special Permit shall be made to the Zoning Enforcement Officer in writing on such forms as may be prescribed by the Zoning Enforcement Officer and approved by Resolution of the Governing Body and such application shall include, at a minimum, a detailed description of each of the activities to be conducted upon the lot or tract of land in question which constitute a Regulated Land Use, including a listing of all substances which are to be stored, handled, used, or produced in connection with each Regulated Land Use being proposed and which substances are subject by federal, state, and/or county governmental authorities.
7. The Zoning Enforcement Officer of the Municipality shall issue a written determination approving or disapproving the application for the Special Permit or conditioning the granting of the Special Permit upon adherence to any or all of the following requirements by the applicant for the Special Permit, where the Zoning Enforcement Officer has found that such adherence is reasonably necessary to fulfill the groundwater protection purposes of this Ordinance.
 - a. The installation of adequate containment facilities and systems so as to prevent the contamination of groundwater by substances regulated by federal, state, and/or county governmental authorities;
 - b. The preparations, filing (with the Zoning Enforcement Officer) and periodic revision of an emergency plan addressing the means by which any potential contamination of groundwater will be controlled, collected, and remediated, including emergency contacts and identification of potential contaminants;
 - c. Regular inspection and/or monitoring, by the owner, occupant, the Zoning Enforcement Officer and/or third parties (including the Borough), of the Regulated Land Use and;
 - d. Compliance by the applicant with the provisions of the Subdivision and Land Development Ordinance then in effect pertaining to sanitary sewage disposal, water supply, storm water management, utilities and easements and subsurface carbonate areas.
8. Applications to the Zoning Enforcement Officer for a Special Permit under this Ordinance, as well as written determinations of the Zoning Enforcement Officer and appeals from the written determinations of the Zoning Enforcement Officer to the ZHB and appeals to the courts of the Commonwealth of Pennsylvania, shall be subject to the same procedural (but not substantive) rules as are applicable to applications for special exceptions under the terms of the underlying Zoning Ordinance in effect at the time the application is filed.

SECTION 308. SUBDIVISION AND LAND DEVELOPMENT REVIEW

All subdivision proposals and other new development plans to be located within the Wellhead Protection Overlay District shall be reviewed by the Zoning Enforcement Officer and Borough Planning Commission for compliance with the provisions of this Ordinance. It shall be the responsibility of the Zoning

Enforcement Officer and the Borough Planning Commission to recommend approval, disapproval, or approval with conditions or modifications, of the proposed subdivision or development plan, so as to assure compliance with the provisions of this Ordinance.

1. Subdivisions and land developments within Zones 1, 2, or 3 for which storm water management controls are required pursuant to the Subdivision and Land Development Ordinance shall be designed consistent with the following:
 - a. Storm water retention basins shall be prohibited;
 - b. Storm water retention basins shall be designed with an impermeable liner to prohibit the infiltration of impounded water to the subsurface.
2. Subdivisions and land developments within Zones 1, 2, or 3 which are proposed for subsurface sewage disposal shall provide a tested and suitable primary absorption area and a tested and suitable secondary absorption area on each lot.
3. Subdivisions and land developments within Zones 1, 2, or 3 as mapped on Exhibit "A" shall have the following Preliminary Plan requirements in addition to those requirements of the Subdivision and Land Development Ordinance:
 - a. A recognized professional with competence in the field shall review aerial photographs, soils, geologic and other available related data as the data relates to the subject property. The professional shall also conduct a site inspection of the property.
 - b. Based on the work required in Section 6(c)(i), the professional shall prepare a map of the site showing all topographic, geologic, and other pertinent physical features. The mapping shall indicate, but shall not be limited to, the following:
 - i. Closed depressions
 - ii. Seasonal high-water table indicators
 - iii. Outcrops of bedrock
 - iv. Surface drainage into ground
 - v. Lineaments and faults
 - vi. Quarries and mines
 - vii. Oil and gas wells
 - viii. Geologic contacts
 - c. Based up the work performed in Sections 6(c)(i) and 6(c)(ii), the professional shall determine what further testing should be done by the applicant to ensure compliance with this Ordinance. Testing methodology shall be responsible under the circumstances, including (1) the scale of the proposed development, and (2) the hazards revealed by examination of available data and site inspection.
 - d. The applicant shall cause the additional testing established in Section 6(c)(iii) to be done. A study report shall be submitted and referred to the Borough engineer and the Borough. This study shall include a map of the area, and all test results and recommendations on the mitigation measures to be taken.
 - e. The Borough's engineer shall consider the Borough's comments, if any, and report to the Borough Planning Commission, with a copy to the landowner, his or her opinion as to the adequacy of the study and as to the capability of the site to support the proposed development in a manner in which the risks attendant to the development in carbonate areas are either eliminated or minimized. Recommendations for site development including building location may be included. Additional studies or testing as deemed necessary by the Borough engineer in order to produce an adequate study given the scale of the proposed development and hazards revealed may be required of the applicant.

SECTION 309. GENERAL EXCEPTIONS

The following General Exceptions specify those land uses and activities that are permitted by right and do not require a Special Permit:

1. Transit: the transportation of any hazardous or governmentally regulated substance the Wellhead Protection Overlay District shall be exempt from provisions of the Ordinance, provided that the transporting vehicle is in transit through the Wellhead Protection Overlay District and further provided that such transportation is conducted in compliance with all applicable federal and state law

and regulations.

2. Residential: to the extent otherwise permitted or regulated by federal, state, and/or county statutes and regulations, the owners and/or occupiers of lots and tracts of land which are primarily utilized for the purpose of single or multi-family residential dwellings are permitted to utilize and store fuels, hazardous chemicals, pesticides, fertilizers, inflammable liquids and gases, and toxic and regulated substances in such quantities and in such manner as is associated with normal consumer, household use, and such limited utilization shall not be deemed a Regulated Land Use for the purposes of this Ordinance.

SECTION 310. PREVENTATIVE AND ENFORCEMENT REMEDIES

For the purpose of preventing violations of this Ordinance and enforcing the provisions of this Ordinance, the Borough shall have available to it the same preventative and enforcement remedies, including the use of civil actions and summary criminal actions, as are set forth in the Subdivision and Land Development and/or the Zoning Ordinance in effect from time to time. In addition, the Zoning Enforcement Officer is authorized to issue Enforcement Notices with respect to violations of the Ordinance, such Enforcement Notices to be issued in accordance with the Enforcement Notice provisions of the Zoning Ordinance of the Municipality in effect from time to time.

SECTION 311. FEES

The Governing Body shall, from time to time, establish by resolution a schedule of fees, charges, and expenses and collection procedures for Special Permits, costs of review and inspection, appeals and other matters pertaining to this Ordinance. The schedule of fees shall be available for inspection in the Municipal Office of the Borough. An application will not be considered to be complete until all applicable fees, charges, and expenses have been paid in full.

ARTICLE IV RESIDENTIAL DISTRICT REGULATIONS

SECTION 400. R-1 LOW DENSITY RESIDENTIAL DISTRICT

- a. Access drives and common parking areas shall be provided with shade trees which are of an appropriate size and character.
- b. Open space adjacent to buildings, areas between buildings and border strips along the sides of pedestrian walkways shall be graded and seeded to provide a thick stand of grass or other materials.
- c. Approaches and entrance areas to buildings shall be provided with trees and attractive shrubbery.
- d. Areas not used for buildings, drives, loading, and parking space shall be seeded or landscaped and shall be kept in attractive condition.
- e. Natural features such as wooded areas shall be preserved and incorporated into the design of the development.

SECTION 605. LIGHTING

When any property is illuminated at night, such illumination shall be so designed and located that the light sources are shielded from adjoining properties and streets. No direct beams of light shall be directed toward adjacent properties or roads. No lighting shall be utilized in such a manner to produce a noxious glare or a light intensity greater than one (1) foot-candle beyond the lot boundaries (0.6 foot-candle when the property is used or zoned for residential purposes).

SECTION 606. SIGNS

Purpose and Intent

1. The purpose of this Section is to develop a comprehensive system of sign regulations to:
 - a. Promote the safety of persons and property by providing that signs;
 - i. Do not create traffic hazards by distracting or confusing motorists or impairing motorists' ability to see pedestrians, other vehicles, or obstacles to or read traffic signs.
 - ii. Do not create a hazard due to collapse, fire, collision, decay, or abandonment.
 - iii. Do promote the aesthetic quality, safety, health, and general welfare and the assurance of protection of adequate light and air within the Borough by regulation of the posting, displaying, erection, use and maintenance of signs.
 - b. Promote the efficient transfer of information through the use of signs and to permit such use, but not necessarily in the most profitable form or format available for such use.
 - c. Protect the public welfare and enhance the overall appearance and economic value of the landscape, while preserving the unique natural and historic environment that distinguishes the Borough, and consistent with Article I § 27, of the Pennsylvania Constitution.
2. It is further declared that these regulations serve to reveal a great deal about the Borough's pride, aesthetic appreciation, vitality, culture, and sense of order, giving it a distinctive appearance and reinforcing the character of the Borough and its surrounding environs in its natural setting as adopted by and set forth in the Northern Berks Comprehensive Plan. It is further acknowledged that these regulations in and of themselves cannot achieve the end result desired unless the community upholds the terms set forth within an atmosphere of responsible freedom, utilizing the principles of fairness and mutual cooperation. Minimum standards are thus provided to safeguard the life, health, property, and public welfare by regulating and controlling the design quality, materials, construction, size, illumination, location, and maintenance of all signs and sign structures while at the same time attempting to provide functional flexibility, encourage variety, and to create an incentive to relate signage to the basic principles of sound planning, development, and use of residential, commercial, and industrial properties.

Definition of Signs

1. As used in this Section, "sign" shall mean any permanent or temporary structure or part of a structure, or any device attached, represented, projected, or applied by paint or otherwise, or any

structure or other surface used to communicate information, a message or advertisement, or to attract the attention of the public to a subject or location. The term “sign” shall include, but not be limited to, flat or curved surfaces, all support and/or assembly apparatus, flags, banners, streamers, pennants, insignias, and medals with or without words or pictures. Signs on vehicles shall be subject to the provisions of this Section when the sign is attached to the vehicle as its foundation or structure for the sign.

Area Computation of Signs

1. In addition to the size requirements listed in Tables I, II, and III, the square footage for signs in I-1, C-1, and C-2 Zoning Districts shall be computed as 1.5 square feet for each linear foot of lot frontage. Corner properties in the above districts shall be allowed two frontages. Total square footage for each zoning lot shall be no larger than 300 square feet when combining wall, projecting, freestanding, and window (interior and exterior) signs. When more than one commercial use occupies a single building or zoning lot, each use will be allowed a wall sign not to exceed 12 square feet. Therefore, the total sign area allowed for each lot shall not be greater than 300 square feet plus 12 square feet for each commercial use located on the zoning lot.
2. The area of a sign shall be construed to include all lettering, wording, and accompanying designs and symbols, together with the background, whether open or enclosed, on which they are displayed, but not including and supporting framework and bracing which are incidental to the display itself.
3. Where the sign consists of individual letters or symbols attached to, or visible inside or outside, and/or painted on a surface, building, wall, or window, the area shall be that of the smallest rectangle which encompasses all of the letters and symbols, including lighted borders, such as neon surrounding a window.
4. In computing square-foot area of a double-faced sign, only one side shall be considered, provided both faces are identical. If the interior angle formed by the two faces of the double-faced sign is greater than 45 degrees, then both sides of such sign shall be considered in calculating the sign area.

General Sign Regulations

The following requirements shall apply to all signs:

1. Signs may be illuminated by direct lighting but shall have such lighting shielded so no direct light will shine on abutting properties or in the normal line of vision of the public using the streets or sidewalks. No floodlights or spotlights shall be mounted higher than five (5) feet above the sign which they are illuminating.
2. No sign shall be so located or arranged that it interferes with traffic, through glare, through blocking or reasonable sight lines or streets, sidewalks, or driveways, through confusion with a traffic control device (by reason of color, location, shape, or other characteristic), or through any other means.
3. All signs, except temporary signs, shall be constructed of durable material and kept in good condition and repair. Electrical signs shall be subject to the performance criteria of Underwriters Laboratories, Inc., and to periodic inspection by the Borough Code Official and/or Zoning Enforcement Officer.
4. Signs existing at the time of passage of this Section which do not conform to the requirements of the Section shall be considered nonconforming signs. Nonconforming signs, once removed for period of sixty (60) days after the business or occupancy has been vacated, which relays any relocation of the business. Such temporary sign shall be not larger than twelve (12) square feet.
5. When a zoning lot utilized by businesses or occupants has been vacated, all signs related to the business shall be removed from the premises within sixty (60) days. A temporary sign will be

permitted for no more than sixty (60) days after the business or occupancy has been vacated which relays any relocation of the business. Such temporary signs shall not be larger than twelve (12) square feet.

6. No sign, except those owned or constructed by a governmental or legislative authority, may be placed within street lines unless specifically authorized by other ordinances and regulations of the Borough.
7. Any vehicle to which a sign is affixed in such a manner that the carrying of such sign or signs no longer is incidental to the vehicle's primary purpose, but becomes a primary purpose, shall be considered a freestanding sign and, as such, shall be subject to the provisions of regarding freestanding signs in the district in which such vehicle is located.
8. Signs located on zoning lots with nonconforming uses or industrial, commercial, and business uses in R-1 and I-1 Zones may be continued in used but shall not be enlarged. Where the nonconforming use is lawfully changed to another conforming use, there shall be permitted a new sign of the same size, type, and configuration as the old sign, or the sign may be changed to any lawfully permitted sign.
9. Any floodlights, twirling-type, balloons, or other air or gas filled attention devices or other special devices shall only be permitted on a zoning lot in a commercial or industrial zone for a period of not more than fifteen (15) days before and thirty (30) days after the opening of a new business on such zoning lot. At no other time shall such devices be permitted.
10. Signs prohibited by state or federal laws or regulations shall also be prohibited hereunder.

Applying for Temporary Signs; Security

1. Temporary signs shall not be located upon Borough, county, or state-owned property or within any public right-of-way unless written permission is granted by the owner.
2. In addition to any fee required to cover the cost of issuing the zoning permit required by The Borough's Zoning Ordinance, the applicant shall post the sum of \$50.00 with the Borough as security for performance hereunder. This fee shall be refunded to the applicant provided the applicant removes the temporary sign(s) no later than the expiration of a forty-five (45) day period from the date of permit issuance. In the event the temporary sign or signs have not been timely removed, the Borough may use any or all of such security to pay the cost of removal.
3. Temporary sign(s) in the R-1, R-2, R-3, and R-4 Zones shall be a maximum area of sixteen (16) square feet each and all other districts no greater than thirty-two (32) square feet each.
4. No more than four (4) temporary signs may be placed on any one (1) lot.

SECTION 607. CONTROL OF STREET ACCESS

1. All areas for off-street parking, off-street unloading and unloading, and the storage or movement of motor vehicles shall be physically separated from public streets or highways by a raised curb or planting strip to serve as a barrier against unchanneled motor vehicles entrance or exit, except for necessary accessways for entrance to and egress from such parking, loading, or storage areas.
2. Acceleration and deceleration lanes shall be provided by the developer when required by the Borough or the Pennsylvania Department of Transportation.

SECTION 608. LOADING AREAS

1. Paved off-street loading and unloading spaces, with proper access from a street, driveway, or alley, shall be provided on any lot on which a building for trade, business, industry, warehousing, or other use similarly involving receipt of or distribution of materials or merchandise by motor vehicle is hereafter erected or expanded. All such areas for the loading and unloading of vehicles, and for servicing of establishments by refuse collection, fuel, and other service vehicles, shall be of such size, design, and arrangement that they may be used without blocking or otherwise interfering with the use of automobile accessways, parking facilities, and pedestrian ways. Loading areas shall not be located within required front yards and shall not be located within five (5) feet on any side or rear lot line. All loading and unloading shall be conducted within or adjacent to a building.
2. The number and size of loading spaces provided shall be appropriate for the use to be conducted on

the premises and sufficient to accommodate all vehicles serving use. At least one (1) loading space shall be provided for each use. When a permit is applied for, the application shall show all provisions for off-street loading and include supporting data (data on number, frequency, and size of vehicles which will use the loading facilities) which justify the number and sizes of spaces provided. Number and size of spaces required shall be approved by the Zoning Enforcement Officer unless otherwise indicated in this Ordinance.

3. All areas for off-street unloading and loading shall be physically separated from public streets or highways by a raised curb or planting strip to serve as a barrier against unchanneled motor vehicle entrance or exit, except for necessary accessways for entrance to and egress from such loading areas.
4. All areas used for loading shall be thoroughly compacted. All unsuitable subgrade materials shall be removed and wet areas permanently drained and stabilized. Fills should be made with suitable materials and thoroughly compacted in uniform layers. Backfill of trenches shall be thoroughly compacted. Once paved, the area shall be kept graded and maintained so that no ponding will occur and no holes will be present.

SECTION 609. OFF-STREET PARKING

1. In all zoning districts, off-street parking facilities shall be provided whenever:
 - a. A building is constructed or a new use established.
 - b. The use of an existing building or a lot is changed to a use requiring more parking facilities.
 - c. An existing building or use is altered so as to increase the amount of parking spaces required.
2. Each parking space shall have minimum dimensions of nine (9) feet by eighteen (18) feet. In addition, appropriate driveways, aisle, and maneuvering space shall be provided as necessary to permit safe and convenient access to and use of the area provided for parking purposes. Proper access from a street, alley, or driveway shall be provided. When parking spaces are provided parallel to a driveway or aisle, the minimum dimensions of the spaces shall be ten (10) feet by twenty-two (22) feet.
3. Parking spaces for residential uses shall be located on the same lot as the use served and shall be located behind the street right-of-way. Parking spaces for other uses shall be provided for on the same lot as the use being served or in parking facilities within two hundred (200) feet of the building served, except in the case of a shopping center or similar grouping of buildings on a lot, in which case all parking areas shall be provided within the lot boundaries.
4. Joint parking facilities for two (2) or more uses may be established, provided that the number of spaces provided is not less than the sum of the spaces required for each individual use less the facilities can show non-concurrent usage; such as a church with only Sunday usage and commercial with weekday usage.
5. All parking spaces and means of access, other than those relating to a dwelling, shall be illuminated during night hours of use.
6. All parking spaces shall be suitably prepared for use by motor vehicles. All common parking areas shall be paved, shall have marked parking spaces, shall be graded to provide convenient vehicular access and proper drainage and shall be maintained in usable condition. The grade of common parking areas shall not exceed six (6) percent, and the grade of access drives shall not exceed ten (10) percent. Surface water shall not be concentrated onto public sidewalks or other lots.
7. Areas necessary to fulfill the off-street parking requirements of this ordinance shall be used solely for that purpose.
8. Off-street parking facilities existing at the effective date of this Zoning Ordinance shall not be used solely for that purpose.
9. The width of aisles in parking areas shall be no less than listed in the following table:

Angle of Parking	Aisle Width One-Way	Aisle Width Two-Way
90°	20 feet	24 feet
60°	18 feet	Not Permitted
45°	15 feet	Not Permitted
30°	12 feet	Not Permitted

10. When the required number of parking spaces is computed and a fraction of a parking space results, any fraction below one-fourth (1/4) may be disregarded and any fraction one-fourth (1/4) or greater shall necessitate the provision of a full parking space.
11. Parking areas for non-residential uses shall be designed such that vehicles will not have direct access from a parking space into a public street.
12. The design of parking areas shall be such to prevent to the greatest extent possible the stack-up of vehicles on a public street at entrance to parking areas.
13. Where parking requirements are determined by the number of seats and only temporary seats are provided, the number of spaces to be provided shall be based upon the capacity for temporary seats in normal usage. Where benches are provided, each two (2) lineal feet of bench shall equal one (1) seat.
14. Parking areas shall be arranged and constructed so that no portion of any vehicle parked within a designated parking space can extend over any lot line of the lot on which it is parked.
15. Parking areas for non-residential uses which are designed to contain more than four (4) vehicles shall be screened from the view of any lands zoned R-1, R-2, R-3, and R-4 which are adjacent to the land on which the non-residential parking area is located.
16. Parking areas and access drives for non-residential uses shall be located a minimum of ten (10) feet from a street right-of-way line or lot line, unless otherwise specified in this Ordinance, and the area between the parking area or access drive and the lot line or street right-of-way line shall be landscaped.
17. Maneuvering areas at least ten (10) feet in depth shall be provided to facilitate leaving the end spaces in parking areas.
18. For purposes of traffic channelization, definition of parking areas, and the reduction of visual monotony, an area equivalent, at minimum, to ten (10) percent of all surface areas shall be devoted to interior parking lot vegetative cover. Such areas shall be in addition to any other landscaping or buffering requirements of this Ordinance. To further assist in traffic channelization, when there is more than one double row of parking spaces at the ends of parking bays, such that the end of the bay adjacent to a driving aisle or road is clearly delineated. The island surface, preferably covered with vegetative material, shall be designed so as not to impair visibility needed for traffic flow and turning movements.
19. All areas for off-street parking shall be physically separated from public streets or highways by a raised curb or planting strip to serve as a barrier against unchanneled motor vehicles entrance or exit, except for necessary accessways or access roads which supply entrance to and egress from such parking areas.
20. For industrial uses, the number of employees for which parking spaces are to be provided shall coincide with the number of employees provided for in the Pennsylvania Department of Labor and Industry application and regulations (State permit).
21. The number of off-street spaces to be provided for each use shall be sufficient to accommodate all employee, visitor, and customer parking. One (1) parking space shall be provided per company vehicle to be parked on the premises. Minimum off-street parking requirements shall be as follows, unless otherwise established in this Ordinance:
 - a. Residential Uses
 - i. Two (2) parking spaces per dwelling unit
 - b. Restaurant, Tavern, or Similar Use
 - i. One (1) space for each four (4) seats plus one (1) space for each employee
 - c. Retail and Service Establishments
 - i. One (1) space for each two hundred (200) square feet of gross floor area
 - d. Office/Medical Buildings
 - i. One (1) space for each two hundred fifty (250) square feet of gross floor area
 - e. Nursing Home, Personal Care Facilities, and Similar Uses
 - i. One (1) space per employee on the premises at one time plus one (1) space for each four (4) beds
 - f. Funeral Home
 - i. One (1) space for each three (3) seats plus one (1) space for each employee on the premises at one time

- g. Auditorium, Theater, Municipal Building, Place of Worship, Club or Lodge, or Other Place of Public Assemblage
 - i. One (1) space for each three (3) seats plus one (1) space per employee on the premises at one time
 - h. Library or Museum
 - i. One (1) space per four hundred (400) square feet of gross floor area
 - i. Nursery Schools and Day Centers
 - i. One (1) space per employee plus one (1) space for loading and unloading of children for each six (6) children accommodated in the school
 - j. Elementary, Middle, Junior High and Senior High Schools
 - i. One (1) space per each administrative staff member, plus one and two-tenths (1.2) spaces per each additional staff member, plus one-quarter (.25) space per seat in gymnasium.
 - k. Motel or Hotel
 - i. One (1) space for each rental unit plus one (1) space for each employee
 - l. Motor Vehicle Service Station or Repair Garage
 - i. One (1) parking space per service bay, plus one (1) space per employee
 - m. Bowling Alley
 - i. Two (2) spaces per alley plus one (1) space for each employee
 - n. Indoor Recreational Facility or Place of Amusement
 - i. One (1) space per fifty (50) square feet devoted to patron use
 - o. Industrial, Wholesaling, or Warehousing Establishment, Laboratory, Research Center
 - i. One (1) space per employee on the premises at one time, or one (1) space per one thousand (1000) square feet of gross floor area, whichever results in less parking spaces
 - p. Barber Shop or Beauty Shop
 - i. Two (2) spaces per shop chair
 - q. Commercial School
 - i. One (1) space per employee plus two-thirds (2/3) space per student
22. For any building or use not covered above, the Zoning Enforcement Officer shall apply the standard for off-street parking spaces in the above schedule deemed most closely approximate the proposed building or use.

SECTION 610. DRIVEWAYS

1. The following standards shall apply to all driveways:
 - a. No driveway shall be constructed in such a manner so as to create a drainage or sedimentation problem on an adjacent property or street.
 - b. Two-way driveway entrances shall not intersect streets at angles of less than sixty (60) degrees nor more than one hundred twenty (120) degrees.
 - c. The location and the width of exit and entrance driveways shall be planned to interfere as little as possible with the flow of vehicular traffic on adjacent streets. Driveways shall not be located in such a manner that they will cause a hazard to the movement of normal traffic or cause areas of undue traffic congestion on streets or highways.
 - d. A use with less than one hundred (100) feet of frontage on a public street shall not have more than one accessway to such street. No use shall have more than two (2) accessways to any one (1) street for each five hundred (500) feet of frontage. The distance between center lines of driveways on the same property where they intersect the same streets shall not be less than one hundred (100) feet.
 - e. Driveway entrances to State Routes shall meet Pennsylvania Department of Transportation requirements.
 - f. Driveway entrance grades shall be such to provide a smooth transition to streets and to provide for proper drainage of the street and driveway.
2. The following standards shall apply to residential driveways:
 - a. The terminus of a radius of a driveway entrance or exit into a street from a corner lot on which a single-family or two-family dwelling is constructed shall be located at least sixty

- (60) feet from the intersection of any street center lines.
 - b. No driveway serving a dwelling shall be located within two (2) feet of any side lot line, except in the case of driveways which adjoin one another or shared driveways.
 - c. Minimum driveway width shall be ten (10) feet, the maximum driveway width shall be twenty (20) feet, and the radius of the driveway apron shall be no less than two (2) feet and no more than ten (10) feet, unless otherwise required by the Borough Subdivision and Land Development Ordinance.
 - d. Driveway grades shall not exceed fifteen (15) percent. Parking lot grades shall not exceed ten (10) percent.
3. The following standards shall apply to non-residential driveways:
- a. The width, excluding radii, of entrances to and exits from parking areas, measured at the street line, shall conform to the following:
 - i. Each lane provided shall be a minimum of twelve (12) feet in width.
 - ii. The radius of the edge of the driveway apron shall be at least fifteen (15) feet and no more than thirty-five (35) feet, unless otherwise required by Borough Ordinance.
 - iii. Provided that along State Route, if these standards are in conflict with Pennsylvania Department of Transportation requirements, driveways shall be designed to conform as closely as possible to the requirements of this Ordinance, while conforming to the requirements of the Pennsylvania Department of Transportation.
 - b. The terminus of the radius of a driveway entrance or exit into a street from a corner lot shall be located at least sixty (60) feet from the intersection of any street center lines.
 - c. Driveway grades shall not exceed ten (10) percent. Parking area grades shall not exceed six (6) percent.
 - d. The minimum distance between the centerline of a driveway where it intersects a street and the centerline of any other driveway intersecting the same street shall be one hundred (100) feet, including those driveways located within another municipality.

SECTION 611. STORAGE OR PARKING OF VEHICLES/MAJOR RECREATIONAL EQUIPMENT

1. Automotive vehicles and recreational vehicles of any type without current license plates or required inspection stickers, shall not be parked or stored on any property within an R-1, R-2, R-2 or R-4 District other than in completely enclosed buildings.

SECTION 627. WIND ENERGY CONVERSION SYSTEMS (PERSONAL)

Personal Wind Turbines shall be permitted as an accessory use within all zoning district(s).

1. A device which converts wind energy into mechanical or electrical energy. Windmills, wind wheels, or wind energy conversion systems (WEC's) shall be permitted in all districts and shall comply with the following conditions and requirements:
 - a. No Personal Wind Turbine, WEC's, or the addition of a wind turbine to an existing WEC's, shall be constructed or located within the Borough unless a permit has been issued.
 - b. No said systems or equipment shall be erected in a front yard or within the area between a front lot line and the front building façade of the principal building on the lot.
 - c. The structure supporting the wind rotor unit, including any necessary guide posts and supporting cables, shall be independent of any occupied structure and located a minimum distance of the tower height plus ten (10) feet from any occupied dwelling, and shall not be more than seventy-five (75) feet in height.
 - d. The minimum distance between the tower and any property line shall be not less than the height of the tower.
 - e. The minimum distance between grade and the lowest point of the rotor blade shall be twenty (20) feet.
 - f. All electric lines/utility wire shall be buried underground.
 - g. Any mechanical equipment associated and necessary for operation, including a building for batteries and storage cells, shall be enclosed by a six (6) foot fence with screening planting in accordance with this ordinance. The supporting structure shall also be enclosed by a six (6) foot fence, unless the base of the tower is not climbable for a distance of twelve (12) feet.
 - h. When a building is necessary for storage cells or related mechanical equipment, the building shall not exceed one hundred forty (140) square feet.
 - i. One (1) windmill, wind wheel or WEC's shall be permitted per lot.
 - j. The resultant energy harnessed from the wind shall not be used on property other than that on which it is located unless all applicable cogeneration requirements are met.
 - k. The supporting structure and generating unit shall be kept in good repair and sound condition. Upon abandonment of use, the supporting structure and related structures shall be dismantled and removed from the property within sixty (60) days.
 - l. The applicant shall demonstrate the any noise form the wind generating unit shall not exceed

forty-five (45) dBA measured at the property line.

- i. A “decibel” shall mean a unit for measuring the relative intensity of sounds. More specifically, a unit for expressing the ratio of two (2) amounts of acoustic signal power equal to ten (10) times the common logarithm of this ratio.
 - ii. A “weighted” sound level shall mean the total sound level in decibels of all sound measured with a sound level meter with a reference pressure of twenty (20) micro-pascals using the “A” weighted network (scale) at slow response. The unit of measurement shall be defined as dB(A).
- m. For personal wind turbines the owner shall submit an inspection and safety report to the Borough and shall include the following:
- i. At least once every thirty-six (36) months the individual wind turbines will be inspected by a certified agent, who is regularly involved in the maintenance, inspection and/or erection of the wind turbines, towers, and antennas. At a minimum, this inspection shall be conducted in accordance with the wind turbine generator inspection checklist provided by the manufacturer.
 - ii. At least once every twelve (12) months a visual inspection from the ground shall be conducted. This inspection shall include, but not be limited to, visual inspection of wind turbine generator foundations, structures, guy and connections for evidence of settlement or lateral movement, soil erosion, condition of paint or galvanizing, rust or corrosion, loose or missing bolts, loose or corroded lightning protection connectors, wind turbine generator tower plumbness, significant variations in guy sags (i.e., guy tensions), and other material areas of matters relating to the structural integrity of the wind turbine.
 - iii. In addition to the regularly scheduled inspections, an inspection shall be conducted if a wind turbine or its appurtenances are noted at any time to be visibly damaged. Additionally, a further inspection should be conducted, if the visible damage to the wind turbine is significant or when questions remain about the structural integrity of a wind turbine.

SECTION 628. SOLAR ENERGY

Solar Energy Systems shall be allowed in any zoning district as an accessory use and may be installed upon receipt of the necessary construction, electrical and/or mechanical permits(s). This ordinance applies to solar energy systems to be installed for residential or commercial use as an accessory use to a primary.

1. Design and Installation for solar energy systems.
 - a. To the extent applicable, the solar energy system shall comply with the Pennsylvania Uniform Construction Code, Act 45 of 1999, as amended, and the regulations adopted by the Department of Labor and Industry.
 - b. The design of the solar energy system shall conform to applicable manufacturer standards.
 - c. The solar energy system shall provide power and/or heat for the principal use of the property on which the solar energy system is located and shall not be used solely for the generation of power for the sale of energy to others.
 - d. The solar energy system may be roof mounted, mounted on a structure, or ground mounted as set forth herein.
 - e. A solar energy system shall not be used to display advertising, including signage, streamers, pennants, spinners, reflectors, ribbons, tinsel, balloons, flags, banners, and similar materials. The manufacturer’s installer’s identification and any appropriate warning signs and placards may be displayed on the solar energy system provided they comply with the Borough’s sign regulations.
 - f. A solar energy system shall not be constructed until principal building is constructed or concurrent with principal building and a building permit is issued for the solar energy system.
2. Setbacks, Placement, and Height Restrictions for Solar Energy Systems:
 - a. A solar energy system may be installed as long as it meets the requirements of this Ordinance and all other applicable construction codes.
3. Ground-Mounted Solar Energy System:

- a. Solar Energy System must comply with all height requirements for the zoning district where the solar energy system is to be installed.
 - b. All ground arrays shall be set back a distance of 1.1 times the structure height from all property line, building setbacks, whichever is greater or comply with the required residential district or be in conformance with the bulk standards in non-residential districts as provided herein.
 - c. All exterior electrical and/or plumbing lines must be buried below the surface of the ground and be placed in a conduit if more than six (6) feet from structure.
 - d. A ground-mounted solar energy system must comply with the accessory structure restrictions contained in the zoning district where the ground-mounted solar energy system is located.
 - e. Ground-mounted solar energy systems shall not be considered an accessory building.
 - f. Ground-mounted solar energy systems shall not be located in the required front yard setback.
 - g. Ground arrays shall be located so that any reflection is properly buffered from an adjoining property or roadway.
 - h. The surface area of a ground-mounted system, regardless of the mounted angle shall be calculated as part of the overall lot coverage. Of the allowable lot coverage, the surface area of a ground-mounted system shall not constitute more than twenty-five (25) percent of the allowable lot coverage.
 - i. If a ground-mounted solar energy system is removed, any earth disturbance as a result of the removal of the ground-mounted solar energy system shall be graded and reseeded.
4. Roof-Mounted Systems
- a. Permitted roof-mounted solar panels shall include integrated solar panels as the surface layer of the roof structure with no additional apparent change in relief or projection, or separate flush-mounted solar panels attached to the roof surface unless solar pitch dictates system efficiency dictates need for relief to satisfaction of Zoning Enforcement Officer.
 - b. Integrated or separate flush-mounted solar panels may be located on any roof slope.
 - c. The height of roof-mounted systems on the principal buildings or accessory buildings shall not extend more than one (1) foot above the finished roof peak to which it is mounted. In no instance shall any part of the system extend beyond the edge of the roof.
 - d. Solar roof-mounted panels shall be placed such that concentrated solar radiation or glared shall not be directed onto nearby properties or roadways.
5. Mechanical Equipment
- a. Mechanical Equipment associated with and necessary for the operation of the solar energy system shall comply with the following:
 - i. Mechanical equipment shall be screened from any adjacent property that is residentially zoned or used for residential purposes. The screen shall consist of shrubbery, trees, or other plant materials which provide a visual screen.
 - ii. Mechanical equipment shall not be located in the required front yard setback of the underlying zoning district.
 - iii. Mechanical equipment shall be set back at least ten (10) feet from the rear and side property lines.
6. Additional Requirements
- a. Abandonment and removal of any solar panel (roof or ground) that has not been in active and continuous service for a period of one (1) year shall be removed from the property to a place of safe and legal disposal.
 - b. The design of solar energy systems shall, to the extent reasonably possible, use materials, colors, textures, screening, and landscaping that will blend the facility into the natural setting and existing environment.
 - c. The solar energy system is subject to all requirements for interconnection from the applicable utility company.

ARTICLE VII NON-CONFORMING LOTS, USES, AND STRUCTURES

SECTION 700. STATEMENT OF INTENT

1. Within the districts established by the Ordinance or subsequent amendments thereto,, there exists or will exist non-conformities such as Lots, Structures, Used of Land, Uses of Structures or Land, and Structures in combination which, if lawful before this Ordinance was adopted or amended, may be continued, subject to certain limitations, although such non-conformities would be prohibited, regulated, or restricted under the terms of this Ordinance or subsequent amendments thereto.
2. Nothing in this Ordinance shall be deemed to require a change in the plans for any building, structure, or land use for which a permit was issued prior to the effective date of this Ordinance or subsequent amendment thereto, provided the authorized activity is begun, in the opinion of the issuing Zoning Enforcement Officer, within six (6) months of the issuance of the permit.
3. To avoid undue hardship, nothing in this Ordinance shall be deemed to require a change in the plans, construction, or designated use of any building or structure on which actual construction was lawfully begun prior to the effective date of adoption or amendment of this Ordinance and on which actual building construction has been diligently carried on. Actual construction is hereby defined to include the placing of construction materials in a permanent position and fastened in a permanent manner. Where excavation or demolition or removal of an existing building has been substantially begun preparatory to rebuilding, such excavation or demolition shall be deemed to be actual construction, provided that work shall be carried on diligently.
4. Non-conforming uses are declared by this Ordinance to be incompatible with permitted uses in the districts involved. A Non-conforming use of a Structure, A Non-conforming Use of Land, or a Non-conforming Use of a Structure of Land in combination shall not be extended or enlarged after adoption of this Ordinance by attachment on a building or premises, or by the addition of other uses, of a nature which would be prohibited generally in the district involved.

SECTION 701. NON-CONFORMING LOTS OF RECORDS

1. Any lot shown on a recorded subdivision plan on the effective date of this Ordinance or after the enactment of subsequent amendments hereto which does not meet the minimum size or width requirement of the zoning district in which it is located may be used for a permitted by use regulations of that District provided that all yard, height, coverage, and open space requirements of the zoning district shall be met, further subject to the following subsection; provided, however, that when a prior subdivider has had an application for approval of a Preliminary of Final Subdivision Plan approved prior to the effective date of this Ordinance, no provision in this Ordinance shall be applied to affect adversely the right of the subdivider to commence and complete any aspect of the approved Preliminary or Final Plan in accordance with the terms of such approval within the time limits established in the Pennsylvania MPC, as amended.
2. Any lot held in single and separate ownership on the effective date of this Ordinance or after enactment of subsequent amendments thereto which does not meet the minimum size of width requirements of the zoning district in which it is located may be used for any use permitted in that district provided that all yard, height, coverage, and open space requirements of the District are met; provided, however, that if two or more lots, combination of lots, or portions of lots with continuous frontage in single ownership are of record at the time of passage or amendment of this Ordinance, and if all or part of the lots do not meet the requirements established for lot width and/or area, the land involved shall be considered to be an undivided parcel for the purpose of this Ordinance, and no portion of said parcel shall be used or sold in a manner which diminishes compliance with lot width and/or area requirements established by this Ordinance, nor shall any division or any parcel be made which creates a lot width or area below the requirements stated in this Ordinance.

SECTION 702. ABANDONMENT

If a non-conforming use of a building is abandoned for a continuous period of two (2) years or more, or if a non-conforming use of land is abandoned for any length of time, subsequent use of such building or land

shall be in conformity with the provisions of this Ordinance.

SECTION 703. CHANGE

A non-conforming use may be changed to a conforming use by right. A non-conforming use, if changed to a conforming use, shall not be changed back to a non-conforming use. A non-conforming use shall not be changed to any other non-conforming use unless the Borough Council shall approve a conditional use. The proposed use shall be of the same or more restricted classification than the existing use. The proposed use shall be demonstrated by the applicant to be not more detrimental to the district with respect to traffic generation and congestion, noise, illumination, electric radiation emission, smoke, dust, fumes, vapors, gases, heat, odor, glare, vibration, appearance, and waste generation than the existing non-conforming use of the property. The Borough Council may specify such appropriate conditions and safeguards as may be required in connection with the approving of a Conditional use.

SECTION 704. EXPANSION

1. A non-conforming use, building, or structure shall not be enlarged or increases upon land not owned, leased, or under option to purchase at the time of the enactment of this Ordinance.
2. Any additional or expanded structures, uses, or buildings erected or established in connection with an existing non-conforming use shall be meet all the Area, Yard, and Height Regulations of the applicable zoning district.
3. A non-conforming use shall not be expanded unless such expansion has been approved as a special exception granted by the ZHB.
4. A non-conforming building or structure shall not be enlarged, increased, repaired, maintained, or modified in any manner which will further violate any regulation imposed by this Zoning Ordinance, except that a principal building which existed at the effective date of this Ordinance which is non-conforming as to yard requirements may have repairs, improvements, maintenance, modifications, or addition made which will cause any part of the building to project into the yard farther that the building did at the effective date of this Ordinance.
5. A non-conforming use may be expanded within a building containing that non-conforming use at the effective date of this Ordinance, provided that the non-conforming use shall not occupy a portion of the building containing a conforming use at the effective date of this Ordinance. A non-conforming use may also be expanded into a new building or extension of an existing building containing the use.
6. Total future expansion of a non-conforming use shall not exceed fifty (50) percent of the area occupied by the use at the time it first became a non-conforming use.
7. The proposed expansion shall not cause an increased detrimental effect on surrounding properties.

SECTION 705. DAMAGE OR DESTRUCTION

1. Any non-conforming building or structure or a building or structure containing a non-conforming use of which the basic structural elements, including foundation, are totally destroyed or rendered unusable by any means, including deterioration, in the opinion of the Zoning Enforcement Officer, may be rebuilt or replaced and used for the same non-conforming use. Any replacement building or structure shall comply with all requirements of this Ordinance regarding size and location. A rebuilt building shall not be more non-conforming in any aspect than the building prior to the rebuilding. New construction shall begin within twenty-four (24) months of the date of destruction and be carried to completion without any interruption which is within the control of the owner.
2. A non-conforming building or structure or a building or structure containing non-conforming use of which the basic structural elements are partially destroyed, or which is partially destroyed but which has all basic structural elements remaining, may be reconstructed. The reconstructed portions of a building or structure shall not be more non-conforming in any respect than the portions of the building or structure which were destroyed. Reconstruction shall begin within eighteen (18) months of the date of destruction and be carried to completion without any interruption which is within the control of the owner.
3. Any non-conforming building or structure or building or structure containing a not-conforming use

which is destroyed to any extent shall be inspected by the Zoning Enforcement Officer. Any building or structure which shall be deemed safer and secure as the Borough or its officials may deem necessary in the public interest.

4. No new or reconstructed building, or portion thereof, may extend over a property or street line.

SECTION 706. NON-CONFORMING USES OF LAND

Lawful uses of land, which at the effective date of this Ordinance or as a result of subsequent amendments thereto become non-conforming and where such use involves no individual structure or building with a replacement cost exceeding \$1,000, may be continued by the present or any subsequent owner so long as it remains otherwise lawful, subject to the following provisions:

1. Extension
 - a. Such non-conforming use may be extended or increased by not more than twenty-five (25) percent of the existing non-conforming use at the effective date of adoption of this Ordinance.
2. Discontinuance
 - a. Whenever a non-conforming use has been discontinued for a period of twelve (12) consecutive months, such use shall not hereafter be reestablished. Any future use shall be in conformity with the provisions of this Ordinance.

SECTION 707. NON-CONFORMING STRUCTURES OR BUILDINGS

Structures or buildings which at the effective date of this ordinance or subsequent amendments thereto become non-conforming by reason of restrictions on area, lot coverage, height, yards, its location on the lot, or other requirements concerning the building or structure, may be continued to be used so long as such structure or building remains otherwise lawful, subject to the following provisions:

1. Moving of Structure or Building
 - a. No non-conforming structure or building shall be, for any reason, moved for any distance unless it shall thereafter conform to the zoning regulations for the district in which it is located after it is moved.
2. Discontinuance
 - a. Whenever a non-conforming structure or building has been vacated for a period of twelve (12) consecutive months, such structure or building shall thereafter not be used except in conformance with the provisions of this Ordinance.

SECTION 708. NON-CONFORMING USES OF STRUCTURES OR BUILDINGS

Lawful uses structures or buildings which at the effective date of this Ordinance or as a result of subsequent amendments thereto become non-conforming, may be contained by the present or any subsequent owner so long as such use remains lawful, subject to the following provisions:

1. Extension
 - a. A non-conforming use may be extended throughout any part of an existing structure or building, provided that any structural alterations, extensions, or additions shall comply with all provisions of this Ordinance with respect to height, area, width, yard, and coverage requirements for the District in which the structure or building is located. However, such extension of a non-conforming use shall not exceed twenty-five (25) percent of the gross floor area occupied by said non-conforming use at the time such non-conforming use became non-conforming.
2. Change of Use
 - a. A non-conforming use, if changed to a conforming use shall not thereafter be changed back to any non-conforming use except if the ZHB shall find that the proposes use is equally appropriate or more appropriate in the zoning district that the previous non-conforming use and hereby grant a special exception.
3. Discontinuance
 - a. Whenever a non-conforming use of structure or building or portion thereof has been discontinued or abandoned for twelve (12) consecutive months such structure or building or

part thereof shall not thereafter be used for a non-conforming use.

4. Damage, Destruction, or Demolition.

- a. Removal or destruction of the structure of building in which non-conforming use is located shall eliminate the permitted non-conforming use of the structure or building provided. Destruction is defined as damage to an extent rendering the structure physically unsafe as declared by the Building Inspector. However, if construction begins within twelve (12) months after destruction, or partial destruction occurs, the same non-conforming use may be carried on.

SECTION 709. UNSAFE OR UNLAWFUL STRUCTURES OR BUILDINGS

If an non-conforming structure or building or portions thereof containing a non-conforming use becomes physically unsafe or unlawful due to lack of repairs or maintenance, and is declared by any duly authorized official to be unsafe or unlawful by reason of physical condition, such structure or building may be restored, repaired, or rebuilt in a manner such that its non-conformity with the regulations of the zoning district is reduced or eliminated.

SECTION 710. USES BY SPECIAL EXCEPTION PROVISIONS NOT NON-CONFORMING USES

Any use which is permitted as a special exception in a District under the terms of this Ordinance (other than a change through the ZHB action from one non-conforming use to another non-conforming use) shall not be deemed a non-conforming use in such District but shall without further action be considered a conforming use.

SECTION 711. MOVEMENT AND REPLACEMENT

1. A building or structure containing a non-conforming use or a non-conforming building or structure may be replaced by a new building or if moved to another location on the same lot, that building or structure shall comply with all area, yard, and height regulations and general regulations applicable to the District in which it is located or supply sufficient evidence that the building is substantially more compliant than prior to its movement or replacement.
2. A non-conforming mobile home may be replaced by another mobile home provided there is no change in land ownership or occupancy.

SECTION 712. REGISTRATION

After the enactment of this Ordinance, the Zoning Enforcement Officer may assemble and maintain a listing of non-conforming uses and structures, if authorized to do so by the Borough Council.

SECTION 713. CERTIFICATE OF INTENTION

1. Scope
 - a. A Certificate of Intention shall be required in all instances where a non-conforming use is discontinued if the owner or operator of such use desires to maintain such a non-conforming use. A Certificate of Intent shall be filed with the Zoning Enforcement Officer within thirty (30) days after a non-conforming use has been discontinued for a period of one (1) year.
2. Procedure
 - a. The Zoning Enforcement Officer shall maintain proper forms for the registration of any Certificate of Intention. It shall be incumbent upon the owner or applicant to file such a form with Zoning Enforcement Officer.
3. Notification
 - a. The adoption of this Ordinance shall be considered effective notice to all owners or operators of non-conforming uses of the requirements of registration for the discontinuance of all non-conforming uses.
4. Filing

- a. The Zoning Enforcement Officer shall maintain a separate file for all Certificates of Intention.
5. Duration
 - a. Each Certificate of Intention shall be valid for a one (1) year period. The owner or applicant may file for extension for a Certificate of Intention for an additional year prior to expiration of the initial Certificate.

SECTION 714. NON-CONFORMING USES

1. After the effective date of this ordinance, there exist or will exist signs which do not conform to the requirements of this Ordinance, which, if lawful before the Ordinance became effective, may be continued subject to certain limitations, even though such non-conforming signs would be prohibited, regulated, or restricted under the terms of this Ordinance.
2. Non-conforming signs are subject to the following regulations:
 - a. Non-conforming signs, once removed from their location after the effective date of this Ordinance, shall be replaced only with conforming signs.
 - b. Non-conforming signs destroyed by any means to less than fifty (50) percent of replacement value immediately prior to destruction, shall be removed and shall be replaced only with a sign which complies with all the requirements of this Ordinance.
 - c. Non-conforming signs destroyed by any means to less than fifty (50) percent of replacement value immediately prior to destruction may be repaired, but no repairs shall make the sign more non-conforming than the sign was at the time of destruction.
 - d. Non-conforming signs may be repainted, repaired, and similarly maintained, but no repair or maintenance shall make a sign more non-conforming than the sign was prior to the painting, repair, or maintenance.
 - e. No non-conforming sign may be relocated, unless to comply with all the requirements of this Ordinance.
 - f. No non-conforming sign shall be modified in any way, which will further violate any regulation imposed by this Ordinance.
 - g. Non-conforming signs shall not be expanded. Non-conforming signs (i.e. flashing, intermittent, etc.) that are inoperative for one (1) year or more shall not be re-activated.

ARTICLE VIII. ADMINISTRATION AND ENFORCEMENT

SECTION 800. ZONING ENFORCEMENT OFFICER

1. Appointment

- a. A Zoning Enforcement Officer shall be appointed by Borough Council to administer and enforce this Zoning Ordinance. The Zoning Enforcement Officer shall not hold any elective office in the Borough. The Zoning Enforcement Officer shall meet the qualifications established by the Borough and shall be able to demonstrate to the satisfaction of the Borough Council a working knowledge of municipal zoning.

2. Duties and Powers

- a. It shall be the duty of the Zoning Enforcement Officer to enforce the provisions of this Ordinance and the amendment thereto and he shall have such duties and powers as are conferred on him by this Ordinance and as are reasonably implied for that purpose. The Zoning Enforcement Officer's duties shall include, but are not limited to, the following:
 - i. Receive and review applications for Zoning Permits as set forth in this Ordinance.
 - ii. Keep a record of all official business and activities, including complaints of a violation of any of the provisions of this Ordinance and of the subsequent action taken on each such complaint. All such records shall be open to public inspection. File copies of all applications received, approvals issued, and reports and inspections made in connection with any structure, building, sign and/or land shall be retained as long as the structures, etc., remain in existence.
 - iii. Make inspections as required to fulfill his duties. In doing so, however, he shall first seek the permission of the landowner or tenant, and in the event such permission cannot be voluntarily obtained, he shall have the right to take such other legal means as are authorized under the law.
 - iv. Issue approvals for buildings, structures, and land uses for which Subdivision and Land Development approval is required only after all necessary approvals have been secured and plans recorded.
 - v. Issue approvals for special exception uses, conditional uses, or variances only after a special exception or variance has been approved by the ZHB or a conditional use has been approved by the Borough Council in accordance with the regulations of this Ordinance and the Pennsylvania MPC, as amended.
 - vi. Issue approvals for buildings requiring approval by the Pennsylvania Department of Labor and Industry only after such approval has been secured. Issue approvals for a used involving an access point requiring Pennsylvania Department of Transportation approval only after such approval has been secured.
 - vii. Be responsible for keeping this Ordinance and Official Zoning Map up to date as to included all amendments thereto.
 - viii. Issues Certificates of Use and Occupancy in accordance with the terms of this Ordinance.
 - ix. The Zoning Enforcement Officer is authorized to institute civil enforcement proceedings as a means of enforcement when acting within the scope of his employment. As such he shall send enforcement notices as provided for in this Zoning Ordinance.
 - x. Submit a monthly report of his activities to the Borough Council and Borough Planning Commission and where appropriate, submit a report to the ZHB.
 - xi. Institute civil enforcement proceedings as a means of enforcement when acting within the scope of the Officer's employment, when authorized by the Borough Council.
 - xii. Receive and refer applications for special exceptions to the ZHB.
 - xiii. Receive applications for interpretation appeals and variances, following refusal of a permit, and forward these applications to the ZHB.
 - xiv. When directed by the Borough Council, identify, and register non-conforming uses, structures, and lots, together with the reason why the Zoning Enforcement Officer

identified them as non-conformities.

3. Notice of Violations

- a. The Zoning Enforcement Officer shall serve notice of violation of any person, firm, corporation, partnership, or other entity responsible for violating any of the provisions of this Ordinance, or any amendment thereto, or in violation of a detailed statement or a plan approved thereunder. Notice of violation shall be in writing, indicating the nature of the violation and action necessary to correct same. If the notice of violation is not complied within the time period set forth in said notice, the Zoning Enforcement Officer shall order the discontinuance of such unlawful use of structure, building, sign and/or land involved in said violation.

SECTION 801. ZONING PERMITS

1. Requirements

- a. No building, structure, or sign shall be erected, constructed, assembled, moved, extended, reconstructed, structurally altered nor shall land, buildings, and structures be put to any use or have the use for which they are used changed, without a permit therefore issued by the Zoning Enforcement Officer, unless otherwise provided for in this Ordinance. No such permit shall be issued unless there is conformity with the provisions of this Ordinance, except upon written order from the ZHB in the form of a variance or upon order from any court of competent jurisdiction.

2. Application Procedures

- a. The application for a Zoning Permit shall be submitted to the Zoning Office in writing on a form prescribed by the Borough. The application shall be submitted by the owner or lessee of any building, structure, or land or the agent of either provided, however, that if the application is made by a person other than the owner or lessee, it shall be accompanied by a written authorization from the owner or lessee authorizing the work and designating agent. The application shall be accompanied by two sets of at least the following information:
 - i. A plan of the lot in question, indicating the lot size and showing all dimensions of lot lines, the location(s) on the lot of all existing and proposed buildings, fences, signs, structures, and alterations to buildings or structures, and distance of such features from lot lines. In the case of proposed buildings or structures greater than one hundred twenty (120) square feet in area, the plan shall be drawn to scale and show exact locations.
 - ii. The use, height, length, width, and proportion of the total lot area covered by all proposed and existing buildings, structures, and additions or alterations to buildings or structures, and the height, length, width, illumination, and design of all signs.
 - iii. A statement indicating the number of dwelling units and/or commercial or industrial establishments to be accommodated within existing and proposed buildings on the lot and the floor area to be devoted to each residential, commercial, industrial, and home occupation use.
 - iv. The location, dimensions, grade, and design of parking and loading areas including the size and arrangement of all spaces and means of ingress, egress, and interior circulation, recreation areas, screens, buffer yards, and landscaping, means of egress from and ingress to the lot, routes for pedestrian and vehicular traffic, and provisions for outdoor lighting. The percentage of the lot which is paved and is open area.
 - v. The location of all utility lines.
 - vi. All other information necessary for the Zoning Enforcement Officer to determine conformance with and provide for enforcement of this Ordinance.
 - vii. Name and address of the applicant and the owners of the real estate involved and a description of and location of the real estate involved.
 - viii. A written statement from a registered engineer or surveyor, or by other satisfactory evidence, that the line of any adjoining street has been staked on the ground.

3. Approval or Disapproval

- a. Permits shall be granted or refused within ten (10) days after the written application has been filed with Zoning Enforcement Officer. Upon completion of the erection or alteration of any

building or portion thereof authorized by any permit, and prior to occupancy or use, the holder of such permit shall notify the Zoning Enforcement Officer of such completion. No permit shall be considered complete or permanently effective until the Zoning Enforcement Officer has certified that the work has been inspected and approved as being in conformity with the provisions of this Chapter and other applicable ordinances and has issued a release for occupancy or use.

4. Expiration of Zoning/Building

- a. A zoning permit shall expire six (6) months after the date of issuance, if work described in any permit has not begun. If work described in any zoning permit has begun within said six (6) months period, said permit shall expire one (1) year from date of issuance thereof. If work described in any zoning permit has begun within said six (6) months period and said permit work is not complete within one (1) year from the date of issuance thereof, said zoning permit may be renewed for only one (1) additional year.

5. Stop Order

- a. A stop order may be issued in the following instances:
 - i. If activities regulated by this Ordinance are undertaken without the required zoning permit, building permit, sign permit, or Certificate of Use and Occupancy being granted by the Borough.
 - ii. If an activity undertaken under a zoning permit, building permit, or sign permit deviates from the approved application either during or after completion of the work.
 - iii. If a use is conducted or a building or structure established in a way which is in violation of the use requirements, area, yard, coverage, and height regulations, performance standards, general regulations, or any other requirements of this Ordinance.
 - iv. If an activity permitted by special exception, variance, or condition is not conducted in accordance with the terms of the granting of the special exception, variance, or conditional use.
- b. A Stop Order shall be issued by the Zoning Enforcement Officer and delivered to the owner of any property or his agent. Delivery shall be construed to include certified mail or posting on the property.
- c. The Stop Order shall be in writing and state the nature of the violation and under which conditions the work or use may resume. A reasonable period of time as determined by the Zoning Enforcement Officer may be permitted to allow for the required corrections.
- d. Any person who shall continue in violation of any Stop Order shall be in violation of this Ordinance and subject to the penalties provided within this Ordinance.

SECTION 802. CERTIFICATE OF USE AND OCCUPANCY

1. Requirements

- a. It shall be unlawful to use and/or occupy and building, structure, or land or portion thereof for which a Zoning Permit is required or to change the use of any building, structure, or land or portion thereof until a Certificate of Use and Occupancy has been issued by the Borough. A Certificate of Use and Occupancy shall not be issued unless such building, structure, or land has been inspected by the Zoning Enforcement Officer and he has determined that all provisions of this Zoning Ordinance have been complied with. The lot shall be graded, construction debris shall be removed from the lot, and the Borough Building Inspector shall indicate compliance with the Borough Building Code.
- b. Upon receipt of written notification that the application is ready to use and occupy the premises for which a permit has been issued or for a change in use, the Zoning Enforcement Officer shall inspect the premises within ten (10) days to determine compliance with the approved application and the Zoning Ordinance of the Borough. If in compliance, he shall approve and sign a Certificate of Use and Occupancy for the use indicated on the approved application. A copy of the Certificate of Use and Occupancy shall be retained by the Zoning Enforcement Officer as part of the Borough records. If he finds that the work has not been performed or that the use of the premises does not comply with the approved application and the Zoning Ordinance of the Borough, the Zoning Enforcement Officer shall refuse to

approve and sign the Certificate of Use and Occupancy and in writing give the reasons therefor and inform the applicant of his right to appeal.

c. Temporary Certificate of Use and Occupancy

i. The Zoning Enforcement Officer may issue a Temporary Certificate of Use and Occupancy for such temporary uses as tents, trailers, and buildings on construction sites. The ZHB may authorize as special exception a Temporary Certificate of Use and Occupancy for a structure or use which it deems beneficial to the public health or general welfare or which it deems necessary to promote the proper development of the Borough, provided that such structure or use shall be completely removed upon expiration of the Temporary Certificate without cost to the Borough.

1. Such Temporary Certificates shall be for the period of time to be determined by the Zoning Enforcement Officer or ZHB, as applicable, at the time of application, but in no case shall any Certificates, except for those uses on construction sites, be issued for more than six (6) months.

2. A temporary certificate of occupancy may be issued by the Zoning Enforcement Officer for a period of six (6) months during alterations or partial occupancy of a building pending its completion, provided such temporary certificate may require such conditions and safeguards as will protect the safety of the occupants and the public.

SECTION 803. SCHEDULE OF FEES, CHARGES, AND EXPENSES

The Borough Council shall establish, by resolution, a schedule of fees and charges for Zoning Permits, Certificates of Use and occupancy, special exceptions, variances, appeals, conditional uses, amendments to this Ordinance and other matters pertaining to this Ordinance. A collection of procedure shall also be established. Until all applications fees and charges have been paid in full, no action shall be taken on any application or other matter relating thereto.

SECTION 804. AMENDMENTS

The provisions of this Ordinance and the boundaries of zoning districts as set forth on the Official Zoning Map may from time to time be amended, supplemented, or changed by Borough Council in accordance with the following procedure:

The Borough Council shall have exclusive jurisdiction to hear and render final adjudications in the following matters:

- Applications for conditional use under the express provision of this Chapter
- Applications for curative amendment to this Chapter or pursuant to §609.1 and 916.1(a) of the MPC.
- All petitions for amendments to land use ordinances, pursuant to the procedures set forth in §609 of the MPC.
- Appeals from the determination of the Zoning Enforcement Officer or the Borough engineer under Articles V and VII of the MPC.

1. Procedure

a. The following procedures shall be observed prior to making any amendment or change to this Ordinance of parts thereof, including the Official Zoning Map:

- i. Any proposed amendments to this Ordinance shall be submitted to the County Planning Commission for their recommendations at least thirty (30) days prior to the public hearing.
- ii. The Borough Council may from time to time amend, supplement, or repeal any of the regulations and provisions of this Chapter. The procedure for the preparation of a proposed zoning ordinance as set forth in §607 of the MPC.
- iii. Before voting on the enactment of an amendment, the Borough Council shall hold a public hearing thereon, pursuant to public notice and pursuant to mailed notice and electronic notice to an owner of a tract or parcel of land located within the municipality or the owner of the mineral rights in a tract or parcel of land within the

- municipality who has made a timely request for in accordance with Section 109 of the Pennsylvania MPC. In addition, if the proposed amendment involves a zoning map change, notice of said public hearing shall be conspicuously posted by the Borough at points deemed sufficient by the Borough along the perimeter of the tract to notify potentially interested citizens. The affected tract or area shall be posted at least one week prior to the date of the hearing.
- iv. In the case of an amendment other than that prepared by the County Planning Commission, the Borough shall submit each such amendment to the County Planning Commission at thirty (30) days prior to the hearing on such proposed amendment to provide the County Planning Commission on opportunity to submit recommendations.
 - v. If, after any public hearing held upon an amendment, the proposed amendment is changed substantially, or is revised, to include land previously not affected by it, the Borough Council shall hold another public hearing, pursuant to public notice, mailed notice before proceeding to vote on the amendment.
 - vi. At least thirty (30) days prior to the public hearing on the amendment by the Borough Council, the Borough shall submit the proposed amendment to the County Planning Commission for recommendations.
 - vii. Withing thirty (30) days after enactment, a copy of the amendment to this Chapter shall be forwarded to the County Planning Commission.
- b. Landowner Curative Amendments
 - i. The procedure for Landowner Curative Amendments shall be as set forth in Section 609.1 of the Pennsylvania MPC.
 - c. Municipal Curative Amendments
 - i. The procedure for Municipal Curative Amendments shall be as set forth in Section 609.2 of the Pennsylvania MPC.
 - d. Submission of Impact Statement
 - i. With a request for a zoning amendment initiated by other than the Borough Council or Borough Planning Commission or Commission, a statement indicating the impact of the zoning change on the Borough shall be submitted with the application for rezoning. The statement shall compare the impact on the Borough resulting from the existing zoning with the impacting from the proposed zoning, specifically discussing:
 - 1. Environmental Impact
 - a. The impact of wooded areas, flood plains, wetlands, or areas of high-water tables, stormwater runoff, erosion, sedimentation, water quality, air quality, solid waste generation, and noise levels.
 - 2. Traffic Impact
 - a. The impact on traffic generation per day and at peak hours, including numbers and routes expected to be used. An analysis of traffic capacities of adjacent roads and intersections and roads and intersections to be significantly affected by the zoning change shall be prepared.
 - 3. Services Impact
 - a. The demand for school and revenues to the Borough.
 - e. Public Hearing
 - i. The Borough Council shall hold a public hearing before voting on the enactment of any amendment or change. Public notice of such hearing shall be given as required by law. In addition, if the proposed amendment involves a zoning map change, notice of the public hearing shall be conspicuously posted by the Borough at point deemed sufficient by the Borough along the perimeter of the tract to notify potentially interested citizens. The affected tract or area shall be posted at least one (1) week prior to the date of the hearing. If, after any public hearing held upon an amendment, the proposed amendment is changed substantially or is revised to include land previously not affected by it, the Borough Council shall hold another public hearing, pursuant to public notice, prior to voting on the amendment. The

Borough Council shall vote on the proposed amendment within ninety (90) days after the last public hearing.

- f. Enactment of amendments shall be in accordance with the procedures established in the proposed amendment withing ninety (90) days after the last public hearing.

SECTION 805. CAUSES OF ACTION

In case any building, structure, landscaping or land is, or is proposed to be, erected, constructed, reconstructed, altered, converted, maintained, or used in violation of this Ordinance, the Borough Council or, with the approval of the Borough Council, an officer of the Borough, or any aggrieved owner or tenant of real property who shows that his property or person will be substantially affected by the alleged violation, in addition to other remedies, may institute any appropriate action or proceeding to prevent, restrain, correct, or abate such building, structure, landscaping of land, or to prevent, in or about such premises, any act, conduct, business, or use constituting a violation. When any such action is instituted by a landowner or tenant, notice of that action shall be served upon the Borough at least thirty (30) days prior to the time the action is begun by serving a copy of the complaint to the Borough Council. No such action may be maintained until such notice has been given.

SECTION 806. ENFORCEMENT NOTICE

1. If it appears to Borough Council that a violation that a violation of this Zoning Ordinance has occurred, the Borough shall initiate enforcement proceedings by sending an enforcement notice as provided for in the Pennsylvania MPC, as amended.
2. The enforcement notice shall be served personally or be sent by certified mail to the owner of record of the parcel on which the violation has occurred, to any person who has filed a written request to receive enforcement notices regarding that parcel, and to any other person requested in writing by the owner of record.
3. An enforcement notice shall state at least the following:
 - a. The name of the owner of record and any other person against whom the Borough intends to take action.
 - b. The location of the property in violation.
 - c. The specific violation with a description of the requirements which have not been met, citing in each instance the applicable provisions of this Ordinance.
 - d. The date before which the steps for compliance must be commenced and the date before which the steps must be completed.
 - e. That the recipient of the notice has the right to appeal to the ZHB within a prescribed period of time in accordance with procedures set forth in this Ordinance.
 - f. That failure to comply with the notice within the time specified, unless extended by appeal to the ZHB, constitutes a violation, with possible sanctions clearly described.

SECTION 807. ENFORCMENT REMEDIES

Any person, partnership or corporation who or which has violated or permitted the violation of the provisions of this Zoning Ordinance shall; upon being found liable therefore in a civil enforcement proceeding commenced by the Borough, pay a judgement of not more than \$500 plus all court costs, including reasonable attorney fees incurred by the Borough as a result thereof. No judgement shall commence or be imposed, levied, or be payable until the date of the determination of a violation by the district justice. If the defendant neither pays nor timely appeals the judgement, the Borough may enforce the judgement pursuant to the applicable rules of civil procedures. Each day that a violation continues shall constitute a separate violation, unless the district justice determining that there has been a violation further determines that there was a good faith basis for the person, partnership or corporation violating the ordinance to have believed that there was no such violation, in which event there shall be deemed to have been only one such violation until the fifth day following the date of the determination of a violation by the district justice and thereafter each day that a violation continues shall constitute a separate violation. All judgements, costs, and reasonable attorney fees collected for the violation of this Zoning Ordinance shall be paid to the Borough.

SECTION 808. APPEALS

Proceedings for securing reviews of any ordinance or of any decision, determination or order of the Borough Council, their agencies, the ZHB, or Zoning Enforcement Officer issued pursuant to this Ordinance shall be in accordance with the Pennsylvania MPC, amended.

SECTION 809. CONDITIONAL USE PROCEDURES

1. Four copies of an application for permission to conduct a use permitted by conditions shall be submitted to the Borough. Such application shall include all information specified for a zoning permit application in section 801 of this Ordinance and any other information necessary to allow the Borough Council to determine that all requirements of this Ordinance have been met.
2. Review
 - a. After reviewing an application, the Borough Council shall refer one copy of the application to the Borough Planning Commission or Committee for its review and one copy to the Zoning Enforcement Officer for his review. The application shall be reviewed at one or more advertised meetings of the Council, and the Council shall either approve or disapprove the application within ninety (90) days after the date the application is received by the Borough.
 - i. The granting of permission to conduct a use permitted by condition does not exempt an applicant from acquiring all approvals required by the Borough's Subdivision and Land Development Ordinance.
3. Standards
 - a. Conditional uses shall meet the specific standard established for each use by this Ordinance and all other applicable zoning district requirements and general regulations established by this Ordinance. In addition, the following standards shall be met
 - i. The use shall be one which is specifically authorized as a conditional use in the zoning district wherein the applicant is seeking a conditional use.
 - ii. Such use shall be such size and so located and laid out in relation to its access streets that vehicular and pedestrian traffic to and from such use will not create undue congestion or hazards prejudicial to the general neighborhood.
 - iii. Services and utilities such as public water, sanitary sewers, and stormwater drainage shall be made available to adequately service the proposed use by the applicant.
 - iv. There shall be control of development of highway frontage so as to limit the number of points for ingress and egress, consider their location with due regard to safety factors, and encourage, where practicable, frontage of buildings and structures upon parallel marginal roads or on roads perpendicular to the highway.
 - v. The natural features and processes characterizing the site and its surroundings will not suffer unmitigated degradation.
 - vi. The use is appropriate to the site in question.
 - vii. The use shall not adversely affect the character of neither the general neighborhood, nor the health and safety of residents or workers on adjacent properties and in the general neighborhood, nor the reasonable use of neighboring properties. The use of adjacent properties shall be adequately safeguarded.
 - viii. Adequate parking spaces for use, as required by this or other ordinance or regulation as demonstrated in a report submitted by the applicant and subject to approval by the Borough.
 - ix. Adequate pedestrian flow for use, as required by this or other ordinance or regulation as demonstrated in a report submitted by the applicant and subject to approval by the Borough.
4. The applicant shall demonstrate, as a condition to approval of his application, that the standards in Section 809.3 and those specified elsewhere in this Ordinance for the use in question will be met.
5. The Borough Council may attach such additional reasonable conditions and safeguards as they deem necessary to implement the purpose of this Zoning Ordinance and Pennsylvania MPC, as amended, which conditions may include but not be limited to harmonious design of buildings, planting and maintenance of shrubbery or trees as a sight and/or sound barrier, hours of operation, lighting,

number of employees, and the minimizing of potentially noxious, offensive, or hazardous elements

ARTICLE IX ZONING HEARING BOARD

SECTION 900. CREATION AND ORGANIZATION

1. The Borough Council shall appoint a ZHB, herein referred to as the “Board”, consisting of residents of the Borough appointed by the Borough Council pursuant to the Pennsylvania MPC, as amended, who shall be appointed and removed, serve, and perform all the duties and have all the powers as prescribed by said Code and as herein provided.
 - a. The Borough Council may appoint alternate members of the Board pursuant to the provisions of the Pennsylvania MPC, as amended. The alternate members may serve as provided for in said code.
2. Organization
 - a. The Board may promulgate such rules and forms for its procedures, not inconsistent with this and other Ordinances of the Borough and laws of the Commonwealth of Pennsylvania, as it may deem necessary for the proper performance of its duties and for the proper exercise of its powers. Such rules shall be continued in force and effect until amended or repealed by the Board or by law. The Board shall elect from its own membership of officers who shall serve annual terms as such and may succeed themselves.
3. Meetings
 - a. Meetings and hearings of the Board shall be held at the call of the chairman and at such other times as the Board, by majority vote, may determine
4. Minutes and Records
 - a. The Board shall keep full public records of its proceedings showing the vote each member upon each question, or if absent or failing to vote indicating such fact. The Board shall also keep full public records of its business and other official actions, and copies of which shall be filed with the Borough Secretary. Such records shall be the property of the Borough. The Board shall submit a monthly report of its activities to the Borough Council.

SECTION 901. HEARINGS

The ZHB shall conduct hearings and make decisions in accordance with the following requirements:

1. Public notice shall be given to, and written notice shall be given to the applicant, the Zoning Enforcement Officer, and to any person who has made a timely request for the same. Written notices shall be given at such time and in such manner as shall be prescribed by rules of the Board. In addition to the written notice provided herein, written notice of said hearing shall be conspicuously posted on the affected tract of land at least one (1) week prior to hearing.
2. The hearing shall be held within sixty (60) days from the date of the applicant’s request, unless the applicant has agreed in writing to an extension of time.
3. The hearings shall be conducted by the Board, or the Board may appoint any member as hearing officer. The decision, or, where no decision is called for, the findings shall be made by the Board, however, the appellant or the applicant, as the case may be, in addition to the Borough, may, prior to the decision of the hearing, waive decision or findings by the Board and accept the decision or findings of the hearing officer as final.
4. The parties to the hearing shall be the Borough, any person affected by the application who has made a timely appearance of record before the Board, and any other person including civic, or community organizations permitted to appear by the Board. The Board shall have power to require that all persons who wish to be considered parties enter appearances in writing on forms provided by the Board for that purpose.
5. The chairman or acting chairman of the Board or the hearing officer presiding shall have power to administer oaths and issue subpoenas to compel the attendance of witnesses and the production of relevant documents and papers, including witnesses and documents requested by the parties.
6. The parties shall have the right to be represented by counsel and shall be afforded the opportunity to respond and present evidence and argument and cross-examine adverse witnesses on all relevant issues.
7. Formal rules of evidence shall not apply, but irrelevant, immaterial, or unduly repetitious evidence

may be excluded.

8. The Board or the hearing officer, as the case may be, shall keep a stenographic record of the proceedings. The appearance fee for a stenographer shall be shared equally by the applicant and the Board. The cost of original transcript shall be paid by the Board if the transcript is ordered by the Board or hearing officer or shall be paid by the person appealing from the decision of the Board if such appeal is made, and in either event the cost of additional copies shall be paid by the person requesting such copy or copies. In other cases, the party requesting the original transcript shall bear the cost thereof.
9. The Board or the hearing officer shall not communicate, directly or indirectly, with any party of his representatives in connection with any issue involved except upon notice and opportunity for all parties to participate, shall not take notice of any communication, reports, staff memoranda, or other materials, except advice from their solicitor, unless the parties are afforded an opportunity to contest the material so noticed and shall not inspect the site or its surroundings after the commencement of hearings with any party or his representatives unless all parties are given an opportunity to be present.
10. The Board or the hearing officer, as the case may be, shall render a written decision or, when no decision is called for, make written finding on the application within forty-five (45) days after the last hearing before the Board or hearing officer. Where the application is contested or denied, each decision shall be accompanied by findings of fact and conclusions based thereon together with the reasons, therefore. Conclusions based on any provisions relied on and the reasons why the conclusion is deemed appropriate in the light of the facts found. If the hearing is conducted by a hearing officer, and there has been no stipulation that his decision or findings are final, the Board shall make his report and recommendations available to the parties within forty-five (45) days and the parties shall be entitled to make written representations thereon to the Board prior to the final decision or entry of findings, and the Board's decision shall be entered no later than thirty (30) days after the report of the hearing officer. Where the Board fails to render the decision within the period required by this subsection or fails to hold the required hearing within sixty (60) days from the date of the applicants request for a hearing, the decision shall be deemed to have been rendered in favor of the applicant unless the applicant has agreed in writing or on the record to an extension of time. when a decision has been rendered in favor of the because of the failure of the Board to meet or render a decision as hereinabove provided, the Board shall give public notice of the said decision withing ten (10) days from the last day it could have met to render a decision in the same manner as provided in subsection (1) of this Section. If the Board fails to provide such notice, the applicant may do so. Nothing in this subsection shall prejudice the right on any party opposing the application to appeal the decision to a court of competent jurisdiction.
11. The Borough Council may prescribe reasonable fees with respect to hearings before the Board. Fees for said hearings may include compensation for the secretary and members of the Board, notice and advertising costs and necessary administrative overhead connected with the hearing. The costs, however, shall not include legal expenses of the Board, expenses for engineering, architectural, or other technical consultants or expert witness costs
12. The hearing shall be held withing sixty (60) days from the date of the applicant's request, unless the applicant has agreed in writing to an extension of time.

SECTION 902. FUNCTIONS OF THE ZONING HEARING BOARD

The ZHB shall have exclusive jurisdiction to hear and render final adjudications in the following matters:

1. Substantive challenges to the validity of any land use ordinance, except those brought before the Borough Council pursuant to §§609.1 and 916.1(a)(2) of the MPC.
2. Challenges to the validity of any land use ordinance raising procedural questions or alleged defects in the process of enactment or adoption which challenges shall be raised by an appeal taken within thirty (30) days after the effective date of said ordinance. Where the ordinance appealed from is the initial Zoning Ordinance of the Borough and ZHB has not been previously established, the appeal raising procedural questions shall be taken directly to court.
3. Appeals from the determination of the Zoning Enforcement Officer, including, but not limited to the granting or denial of any permit, or failure to act on the application therefor, the issuance of any cease and desist order or the registration or refusal to register any non-conforming use, structure, or

lot.

4. Appeals from a determination by the Borough engineer or the Zoning Enforcement Officer with reference to the administration of any floodplain or flood hazard ordinance or such provisions within a land use ordinance.
5. Appeals for variances from the terms of this Chapter and flood hazard ordinance or such provisions within a land use ordinance, pursuant to §910.2 of the MPC.
6. Applications for special exceptions under this Chapter of floodplain or flood hazard ordinance or such provisions within a land use ordinance, pursuant to §912.1 of the MPC.
7. Appeals from the determination of the Zoning Enforcement Officer or Borough engineer in the administration of any land use ordinance or provision thereof with reference to sedimentation and erosion control and storm water management insofar as the same relate to development not involving applications under Article V or VII of the MPC
8. The jurisdictions of the ZHB and the Borough Council and the procedures to be followed by each shall be established in said Code.
9. Parties to proceedings before the ZHB authorized by the Pennsylvania MPC, as amended, may utilize mediation as an aid completing such proceedings. The mediation option shall meet the stipulations and follow the procedures set forth in said Code.
10. Variances
 - a. The ZHB may authorize, upon appeal in specific cases, such variance(s) from the terms of this Ordinance as will not be contrary to public interest, where a literal enforcement of the provisions of this Ordinance will result in unnecessary hardship. In granting any variance the Board may attach such reasonable conditions and safeguards as it may deem necessary to implement the purposes of this Ordinance and the Pennsylvania MPC, as amended. In granting any variance, the Board may attach such reasonable conditions and safeguards as it may deem necessary to implement the purposes of the Chapter and the Pennsylvania MPC, 53 P.S. §10101 et seq.
11. The Board may, by rule, prescribe the form of application and may require preliminary applications to the Zoning Enforcement Officer. The Board may grant a variance provided the following findings are made where relevant in a given case:
 - a. That there are unique physical circumstances or conditions, including irregularity, narrowness, or shallowness of lot size or shape, or exceptional topographical or other physical conditions peculiar to the particular property, and that the unnecessary hardship is due to such condition, and not circumstances or conditions generally created by the provisions of this Zoning Ordinance in the neighborhood or district in which the property is located.
 - b. That because of such physical circumstances or conditions, there is no possibility that the property can be developed in strict conformity with the provisions of this Zoning Ordinance in the neighborhood or district in which the property is located.
 - c. That such unnecessary hardship has not been created by the appellant.
 - d. That the variance, if authorized, will not alter the essential character of the neighborhood or district in which the property is located, nor substantially or permanently impair the appropriate use or development of adjacent property, nor be detrimental to the public welfare.
 - e. That the variance as granted by the Board is the minimum variance that will afford relief and will represent the least modification possible of the regulation in issue.
 - f. Such other considerations as may be set forth in the Pennsylvania MPC, as amended, from time to time.
12. Special Exceptions
 - a. The ZHB may issue, upon application, only such special exceptions which the Board by the provisions of this Ordinance is specifically authorized to issue. The granting of a special exception when specifically authorized by the terms of this Ordinance shall be subject to the following standards and criteria. The applicant for a special exception shall demonstrate, as a condition to approval of his application, compliance with these criteria and those criteria as specified elsewhere in this Ordinance for the use in question:
 - i. Such use shall be one which is specifically authorized as a special exception use in the zoning district wherein the applicant seeks a special exception.

- ii. Such special exception shall only be granted subject to any applicable conditions and safeguards as required by this Ordinance.
 - iii. Such use shall not adversely affect the character of the general neighborhood, nor the conservation or property values, nor the health and safety of residents or workers on adjacent properties and in the general neighborhood, nor the reasonable use of neighboring properties. The use of adjacent properties shall be adequately safeguarded.
 - iv. Such use shall be of such size and so located and laid out in relation to its access street that vehicular and pedestrian traffic to and from such use will not create undue congestion or hazards prejudicial to the general neighborhood.
 - v. Services and utilities such as public water, sanitary sewers, and storm water drainage shall be made available to adequately service the proposed use by the applicant.
 - vi. There shall be control of the development of highway frontage so as to limit the number of points for ingress and egress, consider their location with due regard to safety factors, and encourage, where practicable, frontage of buildings and structures upon parallel marginal roads or on roads perpendicular to the highway.
 - vii. Consideration shall be given to the desirability of the proposed location of an industrial or commercial use with respect to probable effects upon street and highway traffic, and assurance of adequate access arrangements to protect against undue traffic congestion and hazard.
 - viii. In granting a special exception, the Board may attach such reasonable conditions and safeguards, in addition to those expressed in this Ordinance, as it may deem necessary to implement the purposes of this Ordinance and the Pennsylvania MPC, as amended, which conditions may include but are not limited to harmonious design of buildings, planting and maintenance of shrubbery or trees as a sight and/or sound barrier, and the minimizing of potentially noxious, offensive, or hazardous elements.
13. The ZHB shall exercise any other power specifically granted to the Board under the terms of this Ordinance or the Pennsylvania MPC, as amended.

SECTION 903. PROCEDURES FOR APPLICATION TO THE ZONING HEARING BOARD

- 1. The Board shall act in accordance with the procedures specified by the Pennsylvania MPC, as amended, and by this Ordinance. All appeals and applications made to the Board shall be in writing on forms prescribed by the Board. Every appeal or application shall refer to the specific provision of this Ordinance involved and shall exactly set forth the interpretation that is claimed, the grounds for any challenges to the validity of this Ordinance, the use for which a special exception is sought, or the details of the variance that is applied for and grounds on which it is claimed that the variance should be granted as the case may be. All appeals and any stay of proceedings shall be in accordance with the Pennsylvania MPC, as amended.
- 2. Applications and appeals, together with the required filing fee as established by the Borough Council, shall be submitted to the Zoning Enforcement Office. As a minimum, all material required for a zoning permit shall be submitted with the application. The applicant shall also submit a description of the operations proposed in sufficient detail to indicate the effects of those operations proposed in producing traffic congestion, noise, glare, water pollutions, fire hazards, safety hazards, or other potentially harmful activities.

SECTION 904. TIME LIMITATIONS

- 1. If the ZHB grants a special exception or variance, approves the issuance of a permit or authorizes other action to be taken by an applicant, the necessary permit(s) shall be secured and the authorization action begun within three (3) months after the date of the grant of the special exception, variance, authorization, or approval of the permit or authorization of other action, as the case may be.
- 2. If the applicant fails to obtain necessary permits within the said three (3) months, the granted special exception or variance, the issued permit(s) or other authorized actions shall automatically expire.
- 3. If the applicant commences construction or alteration within three (3) months but fails to complete the work within one (1) year, the granted special exception, variance, the issued

permit, or other authorized action shall automatically expire.

SECTION 905. REVIEW OF APPLICATIONS FOR SPECIAL EXCEPTIONS AND VARIANCES

The Zoning Enforcement Officer shall immediately upon receipt forward a copy of any application for a special exception or variance to the Borough Planning Commission or Committee and the Borough Council for review and comment prior to the hearing held by the Board on such application.

SECTION 906. APPEAL TO COURT

Any appeal to court from a decision or determination made pursuant to this Chapter shall be made in accordance with the provisions of Article X-A of the MPC.

ARTICLE X ENACTMENT

SECTION 1000. PUBLIC UTILITIES CORPORATION EXEMPTED

1. This Ordinance shall not apply to any existing or proposed buildings, or extension thereof, used or to be used by a public utility corporation, if, upon petition of the corporation, the Pennsylvania Public Utilities Commission, after a public hearing, decide that the present or proposed building in question is reasonably necessary for the convenience or welfare of the public.
2. It shall be the responsibility of the Pennsylvania Public Utilities Commission to ensure that both the corporation and the Borough have notice of the hearing and are granted an opportunity to appear, present witnesses, cross-examine witnesses presented by other parties and otherwise exercise the rights of a party to the proceedings.

SECTION 1001. SEVERABILITY

If any article, section, subsection, provision, regulation, limitation, restriction, sentence, clause, phrase, or word in this Zoning ordinance is declared for any reason to be illegal, unconstitutional, or invalid by any court of competent jurisdiction, such decision shall not affect or impair the validity of the Zoning Ordinance as a whole, or any other article, section, subsection, provision, regulation, limitation, restriction, sentence, clause, phrase word, or remaining portion of the Zoning Ordinance. The Borough Council Shoemakersville, Berks County, Pennsylvania, hereby declares that it would have adopted the Zoning Ordinance and each article, section, subsection, provision, regulation, limitation, restriction, sentence, clause, phrase, and word thereof irrespective of the fact that any one or more of the articles, sections, subsections, provisions, regulations, limitations, restrictions, sentences, clauses, phrases, or words, may be declared illegal, unconstitutional, or invalid.

SECTION 1002. REPEAL OF CONFLICTING ORDINANCES

All ordinances or parts of ordinances, together with the amendments and supplements thereto, including Ordinance 210, the Borough of Shoemakersville Zoning Ordinance of 1969, and Ordinance 326, the Borough of Shoemakersville Zoning Ordinance of 1992 as amended, are hereby repealed to the extent that the same conflict with the provisions of this Zoning Ordinance, provided however, that the provision of this Zoning Ordinance shall not affect any suit or prosecution pending or to be instituted to enforce any provision of such repealed ordinance or to punish any offense against any such repealed ordinance committed prior to the effective date of this Zoning Ordinance.

SECTION 1003. SAVINGS CLAUSE

This Ordinance shall not be construed or be held to repeal the Borough of Shoemakersville Zoning Ordinance of 1969, and the Borough of Shoemakersville Zoning Ordinance of 1992 as amended, whether said Ordinance is expressly repealed or not, as to any offense committed against said former Ordinance or as to any act done, and penalty, forfeiture or punishment so incurred, or any right accrued or claim arising under said former Ordinance, or in any way whatsoever to affect any such offense or act as committed or so done, or any penalty, forfeiture or punishment so incurred or any right accrued or claim arising under said Ordinance.

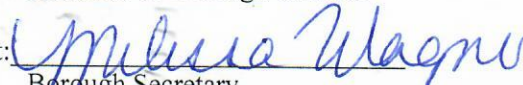

SECTION 1004. EFFETIVE DATE

This ordinance shall become effective immediately upon final enactment.

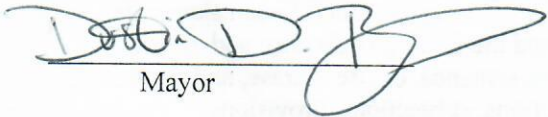

Duly enacted by the Borough Council of the Borough of Shoemakersville, Berks County, Pennsylvania this
Third day of January 2023, in lawful session duly assembled.

BOROUGH OF SHOMAKERSVILLE

By 
President of Borough Council

Attest: 
Borough Secretary

Approved as an Ordinance this 3RD day of January, 2023.

Mayor
